NATIONAL SECURITY INFORMATION

Dear Mr. Watson: Unauthorized Disclosure
Subject to Criminal Sanctions

This will confirm an oral report given to you on July 17, 1965, in response to your request for a name check on John V. Chancellor, who was born on July 14, 1927, at Chicago, Illinois.

Mr. Chancellor was never the subject of an FBI investigation and our files contain no derogatory information concerning him. Information, however, was furnished to the FBI on February 19, 1965, by a confidential informant, who has furnished reliable information in the past, that John William Chancellor and other National Broadcasting Company reporters had requested visas for travel to Cuba to film a documentary about agriculture and education. These visas had been denied by the Cuban Ministry of Foreign Relations acting through the Czechoslovakian Embassy in Washington, D. C.

Civil fingerprints were located in the files of the FBI Identification Division which may be identical with those of Mr. Chancellor. These fingerprints were searched through the criminal files of the Identification Division and no arrest record was located.

Honorable Marvin Watson

Dear Mr. Watson:

Mrs. Mildred Stegall has requested a name check regarding Mr. Peter Lisagor, Chief of the Washington Bureau of the "Chicago Daily News."

A check of the central files of the FBI disclosed that Mr. Lisagor was born on August 5, 1915, at Keystone, West Virginia. He graduated from the University of Michigan in 1939 and joined the staff of the "Chicago Daily News" as a reporter. He enlisted in the U. S. Army in June, 1942, and was discharged in November, 1945. During his military service he served as Editor of "Stars and Stripes." He rejoined the staff of the "Chicago Daily News" after his discharge from the Army in 1945. Mr. Lisagor was assigned to the "Chicago Daily News" Washington Bureau in the mid-1950's and was named Chief of this Bureau in January, 1959. Mr. Lisagor resides at 1528 North Ivanhoe Street, Arlington, Virginia.

FBI files reflect that Mr. Lisagor has been in frequent contact in Washington with Soviet and satellite officials in connection with his duties as a correspondent. Of particular interest have been his contacts with Sergei R. Striganov, former Soviet Counselor who has been identified as an intelligence officer, and with Mirko Kalezik, Yugoslav Embassy official.

Mr. Lisagor was interviewed in 1955 concerning his contact with a Russian correspondent for the Soviet News Agency in Washington to determine if he could furnish pertinent information relating to the activities of this individual, who was known to have an intelligence assignment in this country. Mr. Lisagor was most cooperative on this occasion and expressed a willingness to furnish any information that might come to his attention. It appears that the numerous contacts Mr. Lisagor has had with Soviet and satellite officials during his assignment in Washington have been concerned with his employment as a correspondent.

Honorable Marvin Watson

In July, 1958, a Government official who had frequent contact with correspondents in Washington characterized Mr. Lisagor as a good reporter but lacking in discretion because of his reputation for "talking too much," especially at the National Press Club.

In this regard, the President advised me on June 4, 1965; of his concern about leaks which had occurred in the Administration and referred specifically to information leaked to the "Washington Post" by a State Department official that the FBI was sending men to the Dominican Republic.

The President also mentioned that he was disturbed about an article which had appeared in the June 3, 1965, issue of the "Chicago Daily News" concerning Russian bombers reportedly being stationed in Hanoi. This article, written by Mr. Lisagor, contained information which was known only to the Secretaries of State and Defense and the Joint Chiefs of Staff.

A discreet inquiry into this matter disclosed that apparently Mr. Lisagor obtained this information from the late Marguerite Higgins, a journalist who was married to William E. Hall, a retired Lieutenant General of the Air Force. General Hall has close contacts with members of the Joint Chiefs of Staff, and it was presumed that he had obtained this information and furnished it to his wife. She did not use the information herself, apparently to preclude attention being drawn to her, but gave it instead to Mr. Lisagor, who reported it in the "Chicago Daily News."

The fingerprint files of the Identification Division of the FBI contain no arrest data identifiable with Mr. Lisagor based upon background information submitted in connection with this name check request.

Sincerely yours,

Dear Mr. Watson:

In connection with an article appearing in "The New York Times," March 23, 1966, headlined "Miss Knight Given Rebuke for Action Sought by FBI" and an article appearing in "The Washington Post," March 24, 1966, headlined "Spying on U. S. Travelers by Embassies Assailed," both dealing in part with the Department of State's action in alerting its embassies in Paris and Moscow regarding future travel abroad of H. Stuart Hughes, a professor of history at Harvard University, I thought you would be interested in this Bureau's procedure in handling such matters.

Whenever it is determined that an individual of security interest to this Bureau intends to travel abroad or is traveling abroad, available information regarding the individual is furnished to the Department of State because of its interest in individuals whose activities abroad may be inimical to the best interest of the United States. Also in view of our interest in the security field, we advise the Department of State that we would appreciate any pertinent information it may receive regarding the

person while abroad. In cases of this nature, we neither request a surveillance nor investigation of the activities of such a person. The referral of such matters to embassies abroad is a decision to be made entirely by the Department of State.

In the case of H. Stuart Hughes we did advise the Department of State on February 9, 1966, of proposed future travel abroad on his part. At that time, we furnished that Department available information concerning him contained in our files and indicated that we would appreciate any pertinent information it might receive regarding Hughes while he was abroad.

I am greatly concerned that the State Department has made public the fact that the FBI has a security interest in Hughes. We handle our security matters in a confidential manner and in this instance I am vigorously protesting to the Department of State its handling of this case.

I am enclosing for your information a memorandum dated March 24, 1966, setting forth available information contained in the files of this Bureau regarding H. Stuart Hughes.

The facts in this matter have been brought to the attention of the Attorney General.

Dear Mr. Watson:

Mrs. Mildred Stegall has requested a name check on Mr. Ben W. Gilbert, who is Deputy Managing Editor of "The Washington Post."

Mr. Gilbert has never been the subject of an FBI inquiry; however, FBI files contain the following information concerning him. Mr. Gilbert voluntarily appeared at FBI Headquarters on April 3, 1953, and related the following information concerning his background.

Mr. Gilbert stated that he was born Ben Wertheimer Goldberg, but in 1940 at Columbia, Missouri, he legally changed his name to Ben William Gilbert. However, previous to legally changing his name and while a student at City College of New York, he signed a Young Communist League (YCL) membership card as Ben Gilbert and attended weekly meetings of the Far Rockaway Branch of the YCL during the Fall and Winter of 1936-37. He stated that the discussions at these meetings concerned public issues, pamphlets, and the Marxist approach to contemporary events. He said that the program was primarily the "Popular Front" program of that day which appealed to him as it represented a determined fight against the rise of Fascism. Mr. Gilbert said that the crowd with which he grew up and attended school at City College during the depression days from 1933 to 1937 was 85 per cent Jewish, living in constant fear of the Nazis in Germany and never expecting to graduate from college into a job. He

recalled that after a few months, in the Winter of 1937, he began to question the "Popular Front" program of the YCL and the high-handed methods of those in charge of the organization. He, therefore, severed his connections with the YCL. He stated that after he made this break he then confessed his former membership to his father, who was strongly anticommunist, and that he has told at least two dozen persons about his membership in the YCL. Mr. Gilbert stated that he has never sought to conceal his membership, even though he is ashamed of it, realizing that it was a mistake on his part.

Mr. Gilbert advised that during this period at the City College of New York he had no other organizational affiliation other than in the American Student Union. It is noted that the American Student Union has been cited as a communist front by the Special Committee on Un-American Activities.

Mr. Gilbert recalled that while at the City College of New York he had signed several petitions, but the only one he could remember specifically was a petition in behalf of Morris Schappes, the New York school teacher and Communist Party member who was convicted of perjury in New York City.

Mr. Gilbert advised that since he left the City College of New York in 1937, he has had no connection with any communist organization and that he has, in fact, developed a record of anti-communist activities. He specifically denied that he has ever been at any time a member of the Communist Party. (100-350813-17)

FBI files contain no additional pertinent information concerning Mr. Gilbert.

The fingerprint files of the FBI Identification Division contain no arrest data identifiable with Mr. Gilbert based upon the background information submitted in connection with this name check request.

Dear Mr. Watson:

Reference is made to my letter of December 30, 1966, setting forth results of FBI investigation concerning the possible leak of information in the article by William Beecher which appeared in "The New York Times" issue of December 27, 1966.

There is attached a memorandum setting forth results of interviews with four persons who have previously been unavailable because of their absence from Washington, D. C. We had also planned to interview Deputy Secretary of Defense Cyrus Roberts Vance and Under Secretary of the Army David E. McGiffert, as well as Fred S. Hoffman, Deputy Assistant Secretary, Department of Defense; however, Mr. Vance and Mr. McGiffert are still out of town and we have learned Mr. Hoffman is ill with hepatitis. In view of this and since investigation strongly indicates that the information in Beecher's article was the result of educated speculation, we do not plan to interview these individuals.

DECLASSIFIED BY SP2 AM/els
 ON 10/24/00 MDC-10

The following is being brought to your attention as of possible interest to the President concerning Barbara Kilstein Garson, the authoress of the recently published pamphlet entitled "Macbird," which is a ludicrous portrayal of the President and other United States Government officials through the casting of them in the principal roles of "Macbeth."

It has been reported that 20,000 copies of the pamphlet have been printed and additional printings are contemplated.

Barbara Kilstein Garson has been the subject of a security investigation by this Bureau because of her activity in the Young Socialist Alliance and the Fair Play for Cuba Committee, details of which are set forth in the attached memorandum.

The above information is being furnished to the Acting Attorney General.

Dear Mr. Watson:

See in file

Reference is made to the same check request from Mrs. Mildred Stegall regarding Joseph Kraft, a nationally syndicated columnist.

Although no investigation has been conducted by this Bureau concerning Kraft, our files reveal that a confidential source abroad has advised that Kraft, as a journalist for the "New York Times" and a correspondent for the "Saturday Evening Post," lived with the rebels in Algeria during August-September, 1957. The "Saturday Evening Post" published an article based on his stay there, and portions thereof were reprinted by various papers. The Algerian Front of National Liberation (FLN) furnished the elements for this story and claimed to be satisfied with it.

The same source stated that Kraft would be in a position to furnish a great deal of information concerning the Algerian rebels. The source indicated that Kraft appeared to have been in contact with groups whose organization and methods were similar in all respects to those used by clandestine communist parties and that Kraft did not appear always to have distinguished the part played by communism in the Algerian Nationalist Movement. The source believed that it is possible that Kraft was an agent, either consciously or unconsciously, of the FLN.

This document is prepared in response to your request and is not for dissemination outside your Committee. Its use is limited to official proceedings by your Committee. The content may not be disclosed to unauthorized persons. Do not attempt to retransmit or disseminate the contents of this document.

In some of Kraft's columns, he has been critical of the FBI and me. There was no basis in fact for the statements made by Kraft with respect to this criticism and many of his statements were found to be erroneous. It was further determined that some of Kraft's statements were based on false accusations originally made by other long-time critics of the FBI. Kraft was also author of the book, "Profiles in Power," published in 1958 and last reprinted in 1966, wherein he was again critical of my administration of the FBI. However, this criticism appeared to be a repetition of criticism made about the FBI and me by other long-time critics of the FBI.

In connection with the aforementioned book, a listing of Kraft's other credits indicated that he was a special writer on the campaign plane in 1960 for John F. Kennedy.

In March, 1965, a reliable source advised that Kraft was in contact with the Algerian Ambassador to the United States. During a discussion about Vietnam, Kraft is alleged to have stated he could not understand how President Johnson was ever converted to his present policy in Vietnam, especially in view of the fact that Kraft considered President Johnson a "scared man" on things of that nature. (C)

FBI files contain no additional pertinent information which pertains to Mr. Kraft.

The fingerprint files of the Identification Division of the FBI contain no arrest data identifiable with Mr. Kraft based upon background information submitted in connection with this name check request.

A copy of this communication has not been sent to the Acting Attorney General.

Sincerely yours,

NOTE: This communication is classified "Confidential" [to preclude disclosure of our interests in official representatives of a foreign government.] For the most part, Kraft's criticism of the FBI, (C) mentioned above, deals with the type of criticism first voiced by such individuals as Fred J. VIDEAM

No specific information is available indicating that criticism by United States Senators, on February 6, 1967, concerning the bombing of North Vietnam, follows a pattern prompted by any particular source. A summary of information concerning such criticisms is set forth below:

United States Senator Joseph S. Clark - Pennsylvania

Senator Clark was supported by the Communist Party of Pennsylvania during his campaign for the United States Senate in 1956 although there is no indication that Senator Clark either sought or acquiesced in this support. As early as 1963, Senator Clark spoke before a meeting of Women Strike for Peace, a pacifist group, which has been extremely active in organizing demonstrations against United States policy toward Vietnam.

In December, 1966, Senator Clark was quoted in the press as stating that the three major threats to America are the military-industrial complex, the Federal Bureau of Investigation and the Central Intelligence Agency.

United States Senator J. W. Fulbright - Arkansas

Senator Fulbright is Chairman of the Senate Foreign Relations Committee. He is considered the leading critic of United States policy toward Vietnam. Senator Fulbright was previously highly critical of United States action in the Dominican Republic. He and members of his staff are frequently in contact with members of the Soviet Embassy.

United States Senator Ernest Gruening - Alaska

Senator Gruening was editor of "The Nation" in 1933-1934. "The Nation" has been highly critical of United States policy toward Vietnam. Senator Gruening and his staff have been contacted by members of various Iron Curtain embassies at Washington, D. C. He was one of the principal speakers at a dinner sponsored by the Emergency Civil Liberties Committee on December 10, 1965. This group has been cited as a communist front by the Committee on Un-American Activities, United States House of Representatives.

Senator Gruening has been an outspoken critic of United States policy toward Vietnam. He has spoken on many occasions at demonstrations protesting United States action in Vietnam. These demonstrations have included such organizations as Students for a Democratic Society and the W.E.B. DuBois Clubs of America, a communist-inspired, Marxist-oriented youth group. Students for a Democratic Society is a militant youth group which has received

support from the Communist Party and which has been described by Gus Hall, General Secretary of the Communist Party, USA, as a group which the Communist Party has "going for us."

In conjunction with United States Senator Wayne L. Morse, Senator Gruening had a brief printed in the "Congressional Record." This brief, which was drawn up by a group of lawyers who oppose the war in Vietnam, contends that the United States has no legal basis to support its actions in Vietnam.

United States Senator R. Vance Hartke - Indiana

Senator Hartke, who has criticized United States policy toward Vietnam, accepted an invitation to attend a reception at the Polish Embassy, Washington, D.C., on July 22, 1966. This reception was held to commemorate the National Liberation Day of the Polish People's Republic.

United States Senator George S. McGovern - South Dakota

Senator McGovern spoke on May 17, 1968, at a rally in Chicago, Illinois, sponsored by the Chicago Committee for a Sane Nuclear Policy, a pacifist group. Senator McGovern stated that the United States was making too much of the communist take-over of Cuba.

United States Senator Wayne L. Morse - Oregon

Senator Morse has been associated, either as a speaker or as a sponsor, with various organizations which have been described as subversive by the Attorney General or by the Committee on Un-American Activities, United States House of Representatives. In 1953, Senator Morse's sister was reported to have stated that she had been a member of the Communist Party. In May, 1961, "The Worker," an east coast communist newspaper, carried an open letter to Senator Morse from Victor Perlo, a communist economist and writer. Perlo stated in this letter that Senator Morse was performing a public service in trying to "dig out the roots of our Government's tragic policy toward Cuba."

Both Senator Morse and his staff have been contacted on numerous occasions by members of the Soviet Embassy. Information was received in March of 1966 concerning a reported meeting between Senator Morse and Chu Ting-min, a Chinese alien who appeared to be acting on behalf of General Li Tsung-jen in promoting a settlement between the United States and Communist China, as well as advocating the unification of China. General Li Tsung-jen is a former Chinese nationalist official who defected to Communist China in July, 1965.

Senator Morse has, on many occasions, publicly criticized United States policy toward Vietnam. He frequently speaks before groups throughout the United States on this subject. He has been reported as intentionally entering into controversial areas so that his services as a speaker, for which he receives a fee, will be in demand.

United States Senator Claiborne Pell - Rhode Island

Senator Pell is a former employee of the United States Department of State. During World War II he was active in aiding individuals who had been confined to concentration camps in Europe. He was reportedly arrested on several occasions while working in communist countries. Senator Pell has attended receptions at the Soviet Embassy and has been contacted by members of that Embassy.

Three Soviet officials are extremely active in contacting members of Congress or members of their staffs. These Soviet officials are Anatoli G. Myshkov, a suspected Soviet intelligence officer, and Viktor V. Kopytin and Vitali V. Petrusenko, both of whom are known Soviet intelligence officers. Myshkov, the First Secretary of the Soviet Embassy, has been active in handling political matters and since January 1, 1965, has made numerous contacts with Congressional personnel, including Senators Clark, Fulbright, Hartke, McGovern, and Morse.

Following are the details of my participation in the coverage of the 1964 Democratic National Convention at Atlantic City, New Jersey.

1. Assistant Director Cartha D. DeLoach
2. My instructions from Mr. DeLoach were to insure complete coverage of organizations of a militant nature which were present in Atlantic City during the period of the Convention and to insure that advance knowledge was obtained regarding any acts or intended acts of violence which might be disruptive at the Convention.
3. In Atlantic City a special phone number was set up whereby sources reporting on the various organizations could call to report information they had received concerning intended demonstrations or other activities of a violent nature. These various sources were to call and ask for "Elmer" when reporting their information.
4. All information received by me was taken in long-hand notes and given to SAs Donald Hanning or Hobson Adcock who handled the paper work required.
5. The information obtained was furnished as set out above; however, it is my impression that memoranda or communications dictated by SA Hanning or Adcock were submitted daily to FBI Headquarters.
6. On the Friday before the week of the Convention I attended a meeting in Mr. DeLoach's office attended by various individuals including SAs Hanning, Adcock, Harold P. Linebaugh, Milton Jones and others at which time it was specifically stated by Mr. DeLoach that the sole purpose of the assignment was to be aware of and on top of any violent-type demonstrations by various organizations gathering in Atlantic City, New Jersey.

This document is prepared in response to your request and is not for dissemination outside your Committee. Its use is limited to official proceedings by your Committee and the content may not be disclosed to unauthorized personnel without the express approval of the FBI.

Elmer Lee Todd to Mr. Bassett

7. I received no information indicating that the Bureau's services were being utilized for political reasons. I do not recall receiving any such information of this nature nor am I aware of anyone else in attendance solicitating or obtaining any purely political type information. I do recall that each evening Mr. DeLoach talked by phone with Director Hoover and was occasionally in telephonic contact with someone, whose identity I do not recall, assigned to the White House delegation in Atlantic City. To the best of my recollection the only information discussed by Mr. DeLoach was information received regarding demonstrations, etc.

8. It was perfectly clear in my mind at that time and is still perfectly clear that the only reason for my presence in Atlantic City was for the purpose of handling and learning of those matters falling within the Bureau's jurisdiction.

9. I do not recall any specific instructions being given regarding confidentiality of my assignment.

10. This assignment has not been discussed by me with anyone outside the Bureau. On Wednesday, 1/22/75, I received a telephone call from an individual who identified himself as Ronald Kessler of the Washington Post who stated that he understood that I was among a group of Agents in Atlantic City with Mr. DeLoach in 1964 during the Democratic National Convention. He further stated he understood that I was in charge of handling informants, including [Julius Hobson]. I referred Mr. Kessler to the External Affairs Division and advised him that I was in no position to comment on his inquiry.

11. I had no specific knowledge while in Atlantic City during the period ~~of~~ of the Convention of any tesurs in operation.

12. I have read the article in the Washington Post today by Ronald Kessler. While in Atlantic City all information received came through me by a special telephone, including intelligence information received by Agents of the Newark Office and the Atlantic City Resident Agency. Messrs. DeLoach, Hanning, Adcock, ~~Lincoln~~ and I were situated in one room from 11:00 am each morning until approximately 1:30 or 2:00 am that night. During that time I do not recall hearing any discussions either in the room or on the telephone by any of the individuals including Mr. DeLoach which was of a political nature.

In connection with questions set forth in teletype dated 1/26/75, the following responses are set forth:

1. To the best of my recollection, I was instructed to report to the Atlantic City, New Jersey, Resident Agency, by my squad supervisor, Mr. William Holloway, or the Special Agent in Charge of the Newark Division, Mr. Ralph W. Bachman.
2. I was under the impression that I was being sent to the Atlantic City Resident Agency to augment the U. S. Secret Service detail.
3. My assignment consisted of handling cases and leads that had previously been assigned to Special Agents regularly detailed to the Atlantic City Resident Agency.
4. As I recall, Mr. Cartha DeLoach, former Assistant Director, was in the Resident Agency but my assignments regarding cases and the handling of leads were obtained from one or more of the Special Agents regularly assigned to the Atlantic City Resident Agency.
5. Information I received as the result of investigations conducted was recorded in written form. This is because most of my work load consisted of Interstate Transportation of Stolen Motor Vehicle and Deserter cases.
6. As I can recall, I was told by one of the Agents assigned to the Resident Agency at Atlantic City that I would be handling some of the criminal work normally assigned to regular employees of the Resident Agency in order that they would be relieved for other duties.
7. No.
8. All the work assigned to me concerned criminal violations which I had worked in the past in my position as Special Agent of the FBI.

The following are answers to questions concerning my participation in the coverage afforded the 1964 Democratic National Convention at Atlantic City, New Jersey, August 22 - 28, 1964.

(1) Instructions to participate in this assignment were given by the C-4 Supervisor in the Newark Office. I believe that SA Vincent Murphy was the Supervisor at the time.

(2) I was told to proceed to Atlantic City to participate in a special. I did not know the details of the special but understood that it involved the protection of the President of the United States during the Democratic Convention.

(3) Upon arrival in Atlantic City I was assigned to assist SA Billie D. Williams in the establishment of a technical surveillance on a store-front where a group of demonstrators gathered.

(4) Chain of command consisted of Assistant Director DeLoach, who was assisted by SAs Hanning, Linbaugh, Adcock, and Elmer Todd. I reported results of monitoring to SA Elmer Todd by telephone. If he was not present, I reported to whoever covered his telephone.

(5) Results of information received were handled orally over the telephone. I would assume that the results were reduced to writing at the command center.

(6) I was told that we were developing information to protect the President from violent action by demonstrators. I do not recall who told me but assume it was Mr. DeLoach who held conferences outlining our investigation.

(7) No.

(8) I do not recall the exact instructions given or by whom, but it was my impression that we were conducting our investigation to protect the President of the United States from violence. The conferences I attended concerning these matters were held by Mr. DeLoach.

This document is prepared in response to your request and is not for dissemination outside your committee. Its use is limited to official proceedings by your Committee and the content may not be disclosed to unauthorized personnel without the express approval of the FBI.

(9) I was given the usual instructions to keep my identity confidential.

(10) I do not recall discussing this assignment with anyone outside the Bureau. Mr. Ron Kessler, Washington Post, called me on January 24, 1975, inquiring about this matter. I told him I would have to call him back, and I did not discuss it with him.

(11) I do not recall the name of the organization involved at the store-front or if they had a name. I know of no other group that was covered. I believe that Martin Luther King was covered and know of no other individuals who were covered.

(12) The monitoring of the group in the store-front consisted mainly in overhearing remarks about planned demonstrations in the vicinity of the Convention Hall and numbers of people involved. This was the type information I passed on to SA Elmer Todd. The surveillance was hindered by the fact that the demonstrators were usually away from the store-front.

I recall that I assisted in delivering equipment to SAs John Devlin and John Connelly at a large hotel in Atlantic City. I believe that SA Leo Clark was there and had arranged for some rooms for surveillance. I believe that they were surveying a room for coverage. I do not recall if SA Billie D. Williams was present or not.

1. Assistant Special Agent in Charge Murdo Smith, Philadelphia, Pennsylvania, Office of the FBI.

2. I was advised ^{by Mr. DeLoach *JMC*} the Bureau had received information there would possibly be disruption to the point of violent tactics used by various activist groups who planned to demonstrate at the 1964 Democratic Convention in Atlantic City, New Jersey. Inasmuch as the physical safety of the President and other officials at the Convention may be endangered, it was told to me that I should be present at the Atlantic City Convention since I was familiar with known activists from the Philadelphia and New York areas. I was instructed to intermingle with demonstrators outside the Atlantic City Hall where the convention was being held and be alert to any planned physical acts to disrupt the normal convention program.

3. To be aware of any acts on the part of single individuals or groups of individuals which may have been volatile or disruptive by way of violence to the normal program for this convention.

4. I reported directly to former SA Hobson H. Adcock and SA Elmer Todd.

5. Information developed relative to this assignment was furnished orally.

6. Its purpose, as related to me, by former Assistant to the Director Cartha D. DeLoach, was to be constantly intelligible as to any planned or sporadic disruptive tactics by demonstrators at the Democratic Convention which may endanger the physical safety of attendees at this convention. After being in Atlantic City for approximately one day I was advised that the Bureau had receive information two knknown Puerto Ricans were supposed to arrive at the convention and make an attempt to take the life of President Johnson. Supposedly they were to carry a sawed-off shotgun in a violin case and would attempt to take President Johnson's life when he addressed the Democratic Convention. I was directed to attempt to identify the unknown Puerto Ricans

and any information relative to their possible appearance in Atlantic City. Mr. DeLoach requested I advise him as to the best time for President Johnson to arrive in Atlantic City by helicopter. Mr. DeLoach wanted my recommendation as to the least vulnerable time for President Johnson's helicopter to land, that is, when minimal demonstration activity would be taking place.

7. No.

8. There was no doubt in my mind as to the instructions related to me by Mr. DeLoach that my involvement in the Democratic Convention was well within the Bureau's jurisdiction.

9. I was instructed that this particular assignment was to be considered of a confidential nature and was to be discussed with only those who had a need to know, or whom I was directed to divulge the nature and results of this assignment.

10. No.

11. I personally was not aware that any individuals or organizations were covered by technical surveillance.

Reference is made to Bureau teletype 1/26/75, captioned "Administrative Inquiry" dealing with the 1964 Democratic National Convention at Atlantic City, New Jersey. My best recollection in connection with my participation in FBI coverage of this convention is as follows:

1. I participated in the "special" out of the Newark Office on instructions of SAC Ralph W. Bachman, ASAC Karl L. Brouse, or Field Supervisor Conrad W. Thompson, Jr.
2. My instructions at Newark were to proceed to Atlantic City with a group of Agents also assigned to the same "special" and to receive specific instructions from Senior Resident Agent Leo Clark relative to the assignment. These assignments were given by Clark or in his absence the Alternate Senior Resident Agent whose name I don't specifically recall but who could have been Robert Tagg.
3. My assignment was more or less to participate in a loose surveillance of the convention site to ascertain any "hot spots" that might develop as a result of efforts of a dissident black political group from Mississippi attempting to infiltrate the convention site and to disrupt the convention or usurp the seating of the Mississippi delegation. As a result of this assignment, surveillance teams were issued passes for the floor of the convention and conducted a surveillance of the situation on the floor during the convention.
4. A chain of command was developed by radio as we carried portable radios on the floor and reported to a central dispatcher (name now unrecalled but a Bureau Special Agent). It is understood that this information was coordinated with other information received and furnished to SA Clark.

This document is prepared in response to your request and is not for dissemination outside your Committee. Its use is limited to official proceedings by your Committee and the content may not be disclosed to unauthorized personnel without the express approval of the FBI.

5. No results of my efforts were reduced to writing and everything was handled orally. To the best of my knowledge, no written communications were prepared between Atlantic City and the Newark Office on this "special."

6. My recollection at this time with regard to the purpose of the assignment was to develop information that might lead to the preventing of trouble or disorder at the convention, particularly as a result of black dissidents attempting to force themselves on the convention.

7. There was no specific information ever received at any time that indicated that the Bureau's services were being utilized for political purposes.

8. No information can be recalled relating to instructions received that would indicate that those issuing the instructions felt that this surveillance fell within the Bureau's jurisdiction concerning investigations of terrorism, criminals, or other unlawful acts falling within the Bureau's jurisdiction; however, in the same general time frame the Bureau had been active in following civil rights demonstrations and to my recollection I considered this an extension of that same effort.

9. It is my recollection that all members of the "special" received instructions to the effect that the assignment should remain in the strictest confidence, and also that every effort should be made in carrying out our surveillance activity to remain anonymous.

10. I have never discussed this with anyone outside the Bureau. No attempts have been made to interview me by any outside individual on this matter including former Bureau personnel.

11. At the time of the "special" I had no knowledge that electronic surveillances were being used. Since that time, however, an approximate 1 1/2 years ago, as a result of my current assignment, handling electronic surveillances at Headquarters, and in connection with some inquiry which I cannot now recall, I became aware that two electronic surveillances were utilized at Atlantic City during the 1964 convention. One of these was Martin Luther King and the other a civil rights organization that I cannot now recall.

12. It is my best recollection that during the surveillance on the convention floor we worked closely with Secret Service details on the floor and that group was aware of our presence in the convention.

**RE: INTERVIEW OF FORMER FBI
SPECIAL AGENT (SA) RUSSELL H. HORNER
BY SSC STAFF MEMBERS**

The following concerns the interview of former FBI
SA Russell H. Horner by SSC Staff Members.

On October 14, 1975, SSC Staff Member Barbara Banoff
advised the Legal Counsel Division of this Bureau that it was
desired that Horner be made available for a Staff interview
concerning his knowledge of COINTELPRO (Counterintelligence
Program). Horner was subsequently released from his
confidentiality agreement with the FBI for the purpose of the
interview relating to the subject matter of COINTELPRO.

There follows a statement which Horner voluntarily
furnished the FBI concerning the interview of him.

"On October 28, 1975, I was interviewed from
approximately 10:00 a.m. to 1:00 p.m. in Room 608 of the former
Carroll Arms Hotel in Washington by Church Committee Staff
Members Barbara Banoff and an individual believed to be
Mary DeOreo. At the outset of the interview I was presented
an Advice of Rights statement which I signed. Also present was
a court reporter whose name I do not recall. At the conclusion
of the interview, Banoff stated it was not her feeling I would
be recalled for additional interviews but that a copy of the
transcript would be made available to me for certification at
a later date.

Re: Interview of Former FBI Special Agent (SA)
Russell H. Horner by SSC Staff Members

'The main thrust of the entire interview dealt with procedures and policy surrounding the COINTELPRO. I was able to advise that I had been assigned to the unit supervising the COINTELPRO from sometime during the Summer of 1968 until 1969 or 1970, the exact date I could not recall. The entire interview was devoted mainly to how the COINTELPRO operated with little or no effort being made as to specific COINTELPRO efforts being discussed. Banoff was advised that we did not set policy on the unit level, that all COINTELPRO proposals were approved, to the best of my recollection, in the Director's Office, but could have been disapproved on the Assistant Director level. Banoff had a document written by former Supervisor Bernard A. Wells, and addressed to all offices, in July, 1968, which set out 11 specific areas where counterintelligence action might be taken under the COINTELPRO. Miss Banoff went into each item in an effort to determine how or why each item appeared in the communication. It was mainly explained to her that the letter was apparently written following a survey of the field offices regarding counterintelligence activity that had taken place. She endeavored to find out whether the Inspection Staff had looked into the COINTELPRO both in the field and at Headquarters. She was advised that the Inspection Division would normally look into this Program in both areas, but as to the nature of their inquiry, I would be unable to furnish any information and that Inspection policy was a matter for the Inspection Division to comment on. She inquired as to how the COINTELPRO was taken from the unit and I explained that after a period of time following its initial institution, the Program was gradually deemphasized, became almost inactive in the unit and was finally transferred back to the New Left Section. I advised her that it did not appear that the Program had been particularly effective in the New Left field. I advised that COINTELPRO existed during an entire different atmosphere in 1968 - 1970 than that prevailing now and that it would be almost impossible to give such a Program fair judgment today.

Re: Interview of Former FBI Special Agent (SA)
Russell H. Horner by SSC Staff Members

"Miss Banoff inquired in the areas of anonymous mailings, the furnishing of information to cooperative news media, the use of derogatory information regarding the morals of leaders in the New Left Movement, and the general determination of parameters that constituted the New Left as far as the Bureau was concerned. Miss Banoff was cordial throughout the interview as was Miss DeOreo."

NOTE:

Legal Counsel Division contact with Banoff was by Supervisor P. V. Daly. After the interview, Horner dictated his statement to an FBIHQ stenographer.

RE: INTERVIEW OF FBI SPECIAL AGENT IN
CHARGE (SAC) STANLEY S. CZARNECKI
BY SSC STAFF MEMBER

On Friday, September 26, 1975, Mr. John Smith, Staff Member, SSC, interviewed SAC Stanley S. Czarnecki in his FBI office, Louisville, Kentucky, for approximately thirty minutes.

Czarnecki was not advised of any constitutional rights nor was he requested to sign any waiver of rights form.

Mr. Smith stated that while he was in his Washington, D. C., office earlier this week, members of the SSC staff, identities not mentioned, requested him to contact Czarnecki in connection with Smith's impending visit to his home in Louisville. Specifically, they requested Smith to interview Czarnecki concerning a memorandum Czarnecki had "signed out," captioned "Investigations of Key Activists - New Left," dated May 24, 1968. Mr. Smith stated he did not have a copy of this memorandum nor had he read it. He stated it dealt with requesting of Federal Income Tax returns of certain Key Activists from the U. S. Internal Revenue Service (IRS). Czarnecki advised he could not recall this specific memorandum nor its contents. Czarnecki advised Mr. Smith that he doubts that he had "signed out" a memorandum and then explained all of his correspondence was approved or "signed out" by a Unit Chief to which Czarnecki was assigned at any given time. It was further explained that Czarnecki had served in two Sections, eight Units, and three Divisions at FBI headquarters during the period September, 1967, through April, 1972.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

RE: INTERVIEW OF FBI SPECIAL AGENT IN
CHARGE (SAC) STANLEY S. CZARNECKI
BY SSC STAFF MEMBER

Mr. Smith asked Czarnecki if he had ever requested IRS to furnish the FBI any income tax returns on Key Activists and what procedure was followed in requesting same. Czarnecki explained he could have, however, could not recall if he personally had ever requested such tax returns; however, he does recall such requests were made on a selective basis. These requests were made only after careful review of the request and approval obtained by officials within the Domestic Intelligence Division.

Smith asked Czarnecki if he had ever seen any of the tax returns and what type of security was afforded them. Czarnecki advised he had seen some tax returns of Key Activists and believes the number was small. These returns as well as all documents located in the Domestic Intelligence Division were afforded top security and most all such material was reviewed on a need-to-know basis.

Smith also asked whether the Bureau supervisor handling Key Activists had direct live contact with Internal Revenue Service Agents. Czarnecki stated he recalls no direct contact was ever had with IRS people by the regular Bureau supervisors.

Smith asked Czarnecki's opinion whether or not the Federal Income Tax returns should be made available to all law enforcement agencies to aid them in certain types of investigations. Czarnecki advised he could not speak for all of law enforcement, however, depending upon the type of investigative matter any and all information that could be developed on a key subject or suspect would be helpful.

Mr. Smith advised Czarnecki that he may be back in touch with him in approximately three weeks and, if necessary, will have a copy of the memorandum which Czarnecki allegedly "signed out."

The FBI's Manual of Rules and Regulations, Part I, Section 9. Disciplinary Matters, Item C. Investigation, states as follows:

"Any investigation necessary to develop complete essential facts regarding any allegation against Bureau employees must be instituted promptly, and every logical lead which will establish the true facts should be completely run out unless such action would embarrass the Bureau or might prejudice pending investigations or prosecutions in which event the Bureau will weigh the facts, along with the recommendation of the division head."

The statement, "unless such action would embarrass the Bureau," means that in such eventuality, FBI Headquarters desires to be advised of the matter before investigation is instituted so that Headquarters would be on notice and could direct the inquiry if necessary.

The statement, "unless such action... might prejudice pending investigations or prosecutions in which event the Bureau will weigh the facts" means that in such cases, FBI Headquarters would desire to carefully evaluate the propriety of initiating or deferring investigation of a disciplinary matter where such investigation might prejudice pending investigations or prosecutions.

Nothing in this Manual provision is ^{intended} to deviate from the FBI's established policy of conducting logical and necessary investigation to resolve possible misconduct on the part of its employees.

Reference is made to SSC letter dated October 15, 1975, containing requests for materials concerning Martin Luther King, Jr.

The purpose of this memorandum is to effect delivery to the SSC of information and materials relating to requests contained in SSC letter dated October 15, 1975.

Being delivered with this memorandum are materials relating to Items 1, 3, 4, 6, 8, 9, 10, 14, 15, 16, and 17.

Material being delivered in response to Item 1 includes all memoranda located in the King file pertaining to FBI efforts to "discredit" and/or "neutralize" King. It is noted that additional memoranda referring to efforts to "discredit" King are being delivered with material in response to Item 3. It is further noted that other FBI efforts to "discredit" and/or "neutralize" King involved the dissemination of information concerning him outside the Executive Branch of Government and those undertaken under COINTELPRO (Counterintelligence Program). Documents pertinent to the latter two areas have been furnished the SSC in response to previous requests.

This document is prepared in response to your request and is not for dissemination outside your Committee. Its use is limited to official proceedings by your Committee and the content may not be disclosed to unauthorized personnel without the express approval of the FBI.

ENCLOSURE

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

In connection with the SSC's many varied and voluminous requests for information relating to King, repeated reviews of the King and related case files and records have been made by FBI Headquarters (FBIHQ) personnel in order to be responsive to such requests. Some of these requests have been so broad, general and, in some instances, duplicative in nature, that a serial-by-serial, page-by-page review of the King and related files has been necessary. Accordingly, a total review of the King and related case files and records in response to Item 2 has not been made in this instance. A review of the King file in response to other items included in the October 15, 1975, request and a polling of all Headquarters personnel involved in that and previous reviews did not result in the location or recollection of any information in FBIHQ files to indicate any of the aforementioned individuals were specifically aware of any efforts, steps or plans or proposals to "discredit" or "neutralize" King.

It is, of course, evident that much information developed in the course of the King case involving him in activities of interest to the White House and to representatives of the Department of Justice, including Attorneys General Kennedy and Katzenbach, as well as Assistant Attorney General Marshall, was such that it could conceivably have been the opinion of one or more of the above individuals that such information was being provided to "discredit" or "neutralize" King.

Regarding Item 3, a portion of the material being delivered involves cover communications which transmitted to the White House and Attorneys General memoranda containing information obtained from telephone and microphone surveillances of King. While the White House and Attorneys General were not specifically advised that the information provided was primarily obtained from microphone surveillance, the wording of the memoranda furnished, including direct quotes, was couched in such a manner that it should have been obvious a microphone was the source.

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

With respect to Item 4, it is noted that in his memorandum dated October 21, 1963, which is being delivered, Evans indicated that the Attorney General "asked that this coverage and that on King's residence be evaluated at the end of 30 days in light of the results secured so that the continuance of these surveillances could be determined at that time." There is no indication the Attorney General desired to be advised of this evaluation. In the Bland to Sullivan memorandum dated December 20, 1963, it is pointed out that the installations on King and the Southern Christian Leadership Conference (SCLC) were closely supervised and evaluated and it was recommended and subsequently approved by the FBI Director that these installations be continued for an additional three months. These surveillances continued with periodic internal FBI justifications until 1965, with products of the surveillances being regularly furnished the Department of Justice and other interested Government agencies. From 1965 to the discontinuance of these surveillances in 1966, the Department of Justice was furnished six-month justifications on this coverage. Copies of these memoranda of justification are being delivered in response to Item 4, along with copies returned by the Department bearing what appear to be the initials of Mr. Katzenbach in the upper right-hand corner.

Regarding Item 5 and the Bland to Sullivan memorandum dated December 20, 1963, there appear to be two sets of initials in the upper left-hand corner. The top initials appear to be those of W. T. Forsyth, dictator of the memorandum. Lower initials appear to be those of J. F. Bland.

Regarding Item 6, the routing slip from the Director contains instructions that the Attorney General be given results of coverage as stated in the second paragraph of the Sullivan memorandum to Belmont dated January 13, 1964. This routing slip denotes enclosures as the memorandum of January 13, 1964, and a letter to the Attorney General. This letter is not being delivered because its entire contents are the product of electronic surveillance of King.

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

In attempting to discover specific information relating to "the memorial" as requested in Item 7 a, it was determined that all information in the files of FBIHQ relating to "the memorial" was obtained by electronic surveillance of King and is, therefore, not being delivered.

With respect to Items 7 b and c, the notations "Done" in recommendations 1 and 2 of the Baumgardner to Sullivan memorandum dated March 4, 1964, were made to indicate personal delivery to the Honorable W. R. Jenkins, Special Assistant to the President, and the Attorney General, of memoranda dated March 4, 1964, summarizing the Willard Hotel incident. Delivery was apparently made by Mr. C. D. DeLoach and Mr. Evans, who at that time had liaison functions with the White House and Department of Justice, respectively. These memoranda to the White House and Attorney General are not being delivered because their entire contents were obtained through electronic surveillance of King. No other information could be located in FBIHQ files bearing on the notation "Done" in recommendations 1 and 2.

Regarding Item 8, personnel files at FBIHQ disclosed a record on only one Special Agent (SA) by the name of Joe Woods. This record indicates SA Joseph Ignatius Woods entered on duty August 30, 1954, and resigned October 20, 1961. Woods was subsequently elected Sheriff of Cook County, Illinois, and in that capacity met with Director Hoover on November 28, 1966. A memorandum from J. J. Casper to Mr. Mohr dated November 28, 1966, which reported results of this meeting, is being delivered. The only reference to King during this discussion appears on page 5. All other discussion points have been excised as not pertaining to the SSC inquiry regarding King.

Item 11 requests all materials and information explaining or pertaining to circumstances surrounding, or facts bearing on, the absence, disappearance, or present location of DeLoach's November 21, 1964, memorandum which is described in the first paragraph of a December 1, 1964, memorandum from DeLoach to J. P. Mohr captioned "Ben Bradlee,

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

Bureau Chief, 'Newsweek' Magazine, Washington, D. C." As previously indicated to the SSC, an exhaustive review of logical FBIHQ files, including abstracts of DeLoach's correspondence, failed to result in the location of a November 21, 1964, memorandum concerning Mr. Bradley and his contact with FBIHQ.

This Bureau is in possession of no information bearing on the absence, disappearance or present location of such a memorandum and the fact that a reference to such a memorandum in the December 1, 1964, memorandum was erroneous cannot be discounted

With respect to Item 12, it is not fully clear to this Bureau as to what is meant by the SSC's request for all materials and other information pertaining to information contained in the third paragraph of Mr. DeLoach's memorandum of December 1, 1964, captioned "Ben Bradley, Bureau Chief 'Newsweek' Magazine, Washington, D. C.," previously furnished to the SSC. If this request pertains solely to the excised material following the phraseology "that the FBI had told him (Bradley) that Martin Luther King was a _____," it should be noted that such information is the product of electronic surveillance of King and is, therefore, not to be made available.

With respect to Item 13, no information could be located in FBIHQ files to explain what Mr. DeLoach meant by the "need" mentioned in his addendum dated December 10, 1964, to the memorandum of Mr. Sullivan dated December 2, 1964, captioned "Summary, Highly Sensitive Coverage, Martin Luther King, Jr." It should be noted that the only use of information obtained from the transcripts of electronic surveillances of King was to incorporate such information into communications for dissemination. Details of this dissemination have been furnished the SSC in response to previous requests. Therefore, in light of the use being made of the transcripts, it might be presumed that what DeLoach had in mind was needing the transcripts to be able to prepare higher quality communications for dissemination. This would appear to be supported by

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

DeLoach's statement that there was no "need" for the transcriptions "right now," implying there could be a need at some future time.

With respect to the excisions in materials being delivered herewith, where no notation appears as to reason for excision, the excision was made for the reason that the information actually summarizes or quotes from conversations monitored during electronic surveillances of King. In some cases, it can be ascertained precisely what information in FBI files came from electronic surveillances of King; however, there exist areas where documentation of the information is not precise and no accurate determination can be made. Therefore, no assurances can be given that portions of the materials being furnished do not contain information developed as a result of electronic surveillances of King.

Reference is made to the letter from the Director of the Domestic Intelligence Task Force, SSC, to the Deputy Attorney General's Office dated September 29, 1975, requesting delivery of FBI material pertaining to Martin Luther King, Jr.

The purpose of this memorandum is to respond to Item 6 of the above request.

Item 6 requested materials reflecting authority for any instructions issued prior to October 23, 1962, with respect to developing "any information . . . concerning the Southern Christian Leadership Conference (SCLC) relating to racial matters (which) must be reported under the racial matters caption," and the maintenance of "a separate file on SCLC relating to racial incidents (157-632)." (See first paragraph on page 2, of October 23, 1962, letter from the Director to the SAC, Atlanta, captioned "Communist Infiltration of the Southern Christian Leadership Conference; Internal Security - C").

In respect to Item 6, an extensive, exhaustive search has been conducted of pertinent FBI Headquarters files. However, this search did not uncover any specific documents that disclosed any specific instructions being issued to FBI field offices regarding the above matter with the possible exception of one document, which is enclosed herewith.

In regard to Bureau file 100-438794 captioned "Communist Infiltration of the Southern Christian Leadership Conference; Information Concerning, Internal Security - C," this file began in 1957, as Bureau file 100-427079 for the purpose of collecting public source information concerning the SCLC in connection with the racial situation. Bureau file 100-427079 was changed to 157-632 on July 26, 1962. On June 26, 1969, 157-632 was changed to the present file, 100-438794. All correspondence contained in the previous files was consolidated into 100-438794. The vast majority of the correspondence in 100-438794 is data pertaining to the Communist Infiltration of the SCLC.

A review of the correspondence in this file relating to racial incidents has been conducted and it was found that the file did not contain any specific instructions prior to October 23, 1962, with respect to developing any information concerning the SCLC relating to racial matters with the possible exception of the document being furnished.

I would like to set October 6, 1975 as a dead-
 line for delivery of all outstanding previously-requested
 documents pertaining to the King matter and October 13,
 1975 for delivery of all documents requested on the
 attached list.

I would also appreciate your arranging a briefing
 for Mike Epstein for sometime this week by knowledgable
 FBI personnel concerning:

A. The present location and organization of any
 files and materials which were found to be in
 William C. Sullivan's Bureau office when he was denied
 further access thereto in or about September 1971; and

B. A description of the contents of such files
 and materials.

Finally, we would like to have access to the
 Department of Justice files pertaining to Martin Luther
 King, Jr. and/or the Southern Christian Leadership Confer-
 ence for the year 1962. The materials in these "DJ" files
 will be reviewed pursuant to the terms of the procedural
 agreement between the Committee and the Department, 4 DEC 5 1975

ALL INFORMATION CONTAINED RE: INTERVIEW OF FORMER FBI
HEREIN IS UNCLASSIFIED SPECIAL AGENT (SA) JAMES F. BLAND
DATE 10/24/02 BY SP2ALM/ely BY SSC STAFF MEMBERS

The following concerns an interview of former FBI SA James F. Bland by SSC Staff Members.

On September 3, 1975, Bland telephonically contacted the Legal Counsel Division of the FBI to advise that he had been contacted by Martha Talley, SSC Staff Member, and was requested to make himself available for a Staff interview concerning the history of the Security Index and the FBI's relationship with the Department of Justice concerning this matter. Talley advised Bland that the SSC Staff had been given a detailed briefing concerning this matter by FBI Assistant Director W. Raymond Wannall of the Intelligence Division.

Bland was advised by the Legal Counsel Division that he had a right to counsel during the interview; however, the Bureau could not provide him with private counsel. He was informed that there were certain areas to which he may properly refuse to answer questions. Those areas concerned:

- (1) where responses might tend to identify confidential sources,
- (2) information concerning sensitive investigative techniques,
- (3) information derived from other Government agencies including foreign intelligence sources, and (4) information, the disclosure of which, could adversely affect ongoing investigations.

Bland was subsequently released from his confidentiality agreement with the FBI for the purpose of the interview.

Re: Interview of Former FBI Special Agent (SA)
James F. Bland by SSC Staff Members

On September 18, 1975, SSC Staff Member Michael Epstein requested of the Legal Counsel Division that Bland be released from his employment agreement with the FBI for a Staff interview which was to be on the topics of the FBI's investigations of Martin Luther King, Jr., Stanley David Levison, Southern Christian Leadership Conference and Communist Influence in the Racial Movement. Based on the foregoing, Bland was subsequently further released from his employment agreement for the anticipated interview covering these additional subject matters.

There follows a statement of Bland voluntarily furnished to the FBI reporting the results of the interview of him.

"Interview began approximately 2:00 p.m. and lasted until 4:00 p.m., October 13, 1975. Interview conducted by John Elliff - head of the Domestic Intelligence Task force and Martha Talley - attorney on the Research Staff. I was asked to sign and did sign a waiver of rights. Asked me my Bureau background, times of assignments and positions.

"Interview concerned Security Indices - primarily the history of Security Index and related matters - Communist Index - Reserve Index - Sections A and B - Detcom and Comsab tabbing etc.

"General information of the mechanics of operation of the Index was furnished within my knowledge: That based on substantive subversive information an investigation was conducted evaluated on a number of levels both in the field and at headquarters and periodically evaluated thereafter; the Department of Justice knowledge - approval - and review; the fact that the Index was an administrative device to efficiently handle matters relating to persons who could be potentially dangerous to the security interests of the U. S. in the event of an emergency.

Re: Interview of Former FBI Special Agent (SA)
James F. Bland by SSC Staff Members

"In addition it was clearly pointed out that the facts set forth in the investigative reports stood for themselves - contained no opinion or suppositions and that the fact a person was included on the Index was for administrative uses within the Bureau and the Department of Justice.

"A Committee representative, Martha Talley, had previously indicated a desire to interview me, in addition to the above, concerning the investigation of Martin Luther King, Cominfil of the Civil Rights Movement, SCLC matter, and Stanley Levison. At the conclusion of the interview she advised that she had spoken to another representative of the Committee and they did not desire to talk to me regarding these matters at this time."

NOTE:

Legal Counsel Division's contacts mentioned herein were through Supervisor P. V. Daly. Bland's handwritten statement was mailed to the Bureau and has been typed in the form as contained in the LHM.

RE: INTERVIEW OF FORMER FBI
SECTION CHIEF ARTHUR J. BAKER
BY AN SSC STAFF MEMBER

The following concerns an interview by an SSC Staff Member of former FBI Section Chief Arthur J. Baker.

On October 6, 1975, Baker contacted the Legal Counsel Division of this Bureau and advised that he had been contacted by Mary DeOree of the SSC who requested him to appear for a Staff interview on October 9, 1975, concerning his knowledge of the FBI's investigations of Martin Luther King, Jr., and the Southern Christian Leadership Conference. Baker was released from his confidentiality agreement with the FBI for the purpose of the interview within the scope of the above-indicated subject matters.

On October 8, 1975, Baker was advised by the Legal Counsel Division of his release from the Bureau's confidentiality agreement and was also told that there were four privileged areas concerning which he did not have to answer questions during interview. These areas concerned: (1) information which might reveal the identities of confidential sources, (2) information concerning ongoing investigations, (3) information revealing sensitive methods and techniques, and (4) information about or from third agencies, including foreign intelligence agencies.

Subsequent to the interview, Baker voluntarily furnished a written statement summarizing very briefly the results of the interview, which statement follows:

Re: Interview of Former FBI Section Chief
Arthur J. Baker by an SSC Staff Member

"For information there is set forth below my recollections of a staff interview with the Senate Select Committee on Intelligence.

"I reported to the Senate Office Building at 9:30 a.m. on October 9, 1975 and was interviewed by Mary DeOreo. The interview was concluded about 10:40 a.m.

"Her questions were mostly general in nature about my work in the Laboratory. Her particular interest seemed to center around the Martin Luther King, Jr., case with special attention on the technical surveillances used. Apparently the reason I was called was that my name appeared on several memoranda covering technical discussions between Domestic Intelligence Division and Laboratory personnel indicating that the memoranda had been routed through me.

"Her main concern seemed to be if I had any knowledge concerning transcriptions or composites of any technical surveillance tapes being made in the Laboratory. I had no recollection of any such tapes being made and so informed her."

On October 14, 1975, Baker voluntarily furnished the following additional information which, in more detail, reports on the interview of him.

The interview was not under oath and no statement was made to Baker concerning his rights.

At the request of the interviewer, Baker furnished general background information concerning himself in respect to his FBI career. He entered on duty on August 12, 1940, in the Identification Division. On December 16, 1941, he was transferred to the Laboratory. He became a Special Agent on May 20, 1946, still assigned to the Laboratory. In June, 1955,

U. S. Senate Select Committee

Re: Interview of Former FBI Section Chief
Arthur J. Baker by an SSC Staff Member

he was appointed Number One Man to the Section Chief in the Electronics Section. On December 16, 1965, he was appointed Section Chief in the same Section and retained that position until his retirement on March 22, 1968. Baker was shown four or five Bureau memoranda containing his name. One concerned a conference between personnel of the Laboratory and the Domestic Intelligence Division (now Intelligence Division) concerning a technical surveillance of Martin Luther King, Jr. He was asked what he recalled about the conference and responded that he recalled nothing. Other of the memoranda shown him concerned equipment used in electronic surveillances of King. DeOree expressed recognition that the Laboratory did not make decisions concerning coverage of the subject. She asked many questions as to why Baker's name was shown on memoranda for tickler designation rather than the name of the Section Chief, Richard Milten. This was at a time when Baker was the Number One Man to Milten.

Baker was asked whether the Electronics Section (DeOree referred to it as the Radio Section) made any copies or composite tapes concerning King such as a tape purportedly sent to Mrs. King. Baker responded that he had no knowledge of such. He was asked if such tapes were made, whether Baker would have known about it. He answered that normally he would have. He was asked if it was possible for such tapes to have been made without his knowing of it and he responded that it was possible.

Baker was asked if he knew Bill Campbell and he responded that he knew him as Campbell came to work in his Section at a later date but did not work there during the period about which he was being questioned. Baker was asked if it would have been possible for Campbell to have used Laboratory equipment to make tapes and Baker responded that such action would have required his having had permission to do so.

U. S. Senate Select Committee

Re: Interview of Former FBI Section Chief
Arthur J. Baker by an SSC Staff Member

Baker was asked if it was possible for anyone else to make tapes and DeOreo mentioned the names of John Matter and Charles Corbett. Baker's response was that anything was possible, but that it was not likely; and that he had no recollection of these people making tapes.

Baker was next questioned concerning security procedures in the Laboratory and the possibility of someone working there at night. Specifically, he was asked if someone worked at night, whether there would be any record of it. His response was that he doubted it. During considerable discussion on the subject of security in the Laboratory, Baker explained that security was tight because of the large volume of evidence always on hand in the Laboratory.

NOTE:

10/6/75 contact with Baker was by Supervisor P. V. Daly of the Legal Counsel Division. 10/8/75 contact with him was by Inspector J. B. Hotis of the Legal Counsel Division. Debriefing of Baker was by Supervisor S. F. Phillips of the Senstudy 75 Project.

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF [REDACTED] FBI SPECIAL AGENT (SA) BY SSC

October 15, 1975

11:30 a.m. to 1:00 p.m.

Interviewed by Michael Epstein and female

Carroll Arms Hotel

Not under oath - no mention of rights

Subject: King

" Henry G. Rowse, former Bureau Supervisor, retired March, 1972. I was Supervisor in Charge of the Security Desk in Atlanta, Georgia, from 1957 until 1964, when I was transferred to the Bureau and while assigned to the Atlanta Division, I supervised the handling of the Martin Luther King investigation from approximately 1961 until April, 1964.

" Counsel Michael Epstein of the Senator Church's Select Committee on Intelligence Activities directed a letter to me in late September, requesting that I appear for interview. I called him on the phone requesting as to what the interview was about and he replied it was in connection with the FBI's handling of the Martin Luther King investigation. I arrived at the Senate Office Building at approximately 11:30 a.m., on October 15, 1975, and met with Mr. Epstein and a young lady whose name I do not recall and he escorted me to a room in Carroll Arms Hotel.

" He displayed a memorandum written by Supervisor Lawrence Curley during December, 1963, concerning a conference at Bureau Headquarters with former Assistant Director William Sullivan, Joseph Sizoo, David Ryan, SA Robert Nichols of the Atlanta Division and myself. He was attempting to pick my brain as to what went on in this conference that was not actually written up in the memorandum and he was

RE: INTERVIEW OF FORMER FBI SPECIAL AGENT (SA) BY SSC

advised that I just don't recall any additional details. He also displayed an informal-type communication listing several suggestions that were made to the Atlanta Office concerning some counterintelligence actions that could possibly be taken against King and his operation in Atlanta. I advised him that I don't recall ever having seen this communication and that I handled the tesur (technical surveillance) from its inception which was on or about November of 1963, until my transfer to the Bureau during April of 1964, which was a matter of only approximately five months and none of the listed counterintelligence actions were taken against King during these few months that I could recall. Epstein kept pressing me concerning some false fire alarms that possibly took place in the City of Detroit. He asked if it was my idea and I replied that it wasn't and that I did not recall any of the above.

" Epstein was very interested in the role the Bureau played in the activities of King in Albany, Georgia, during the Summer and Fall of 1960 or 1961, and what was the basis for the Bureau's authority for being in Albany, Georgia, at that time. He was advised that there were several Negro church burnings and bombings that took place in the Albany, Georgia, area and that the Bureau's authority for being there was, as I recall, under the bombing statute. Epstein appeared to be quite knowledgeable about the Bureau's operations in South Georgia at that time and knew all the Resident Agents' names as well as many of the Agents there on a special. He questioned me concerning why the Resident Agents in Albany, Georgia, at the time did not participate in the special investigations that were being conducted there concerning the churches and the racial matters. He was advised

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF FORMER FBI SPECIAL AGENT (SA) BY SSC

that the Resident Agents did participate when needed; however, they had their own criminal-type investigations to handle that were assigned to them. Epstein then skipped back to the above-mentioned conference held at the Seat of Government in December of 1963, concerning King and asked me to explain why the Bureau suddenly took such strong action to discredit the personal life of Martin Luther King. He was advised that I did not question the motives, that I was assigned to do a job and that the Bureau was not interested in excuses, but was only interested in results. Epstein was then advised by me that I thought that he and Senator Church were doing a great disservice to the country by taking this form of action and that I would like to draw an analogy between what Senator Church is doing today and what Martin Luther King's actions were in South Georgia in 1960 and 1961. Martin Luther King had the Negroes in a rebellious state at that time and that suddenly the television cameramen and newspaper reporters found that astronaut John Glenn was about to leave Cape Canaveral in his Mercury capsule and the whole situation in Albany became quiet, and that if Daniel Schorr of CBS and the other networks would quit giving coverage to Senator Church and his Committee, that they would soon lose interest in this inquiry, and that I felt Epstein and Senator Church really couldn't care less about the FBI and CIA--if it wasn't for the national publicity they were getting and that they were squandering the tax payers' money. He requested the authority that the FBI investigated the Ku Klux Klan and communist infiltration in racial matters which I replied that I had been out of the Bureau for some time but, as I recall, that they both were investigated under the Internal Security Act of 1950.

"The highlights of the whole interview seemed to be why, in December of 1963, the FBI suddenly decided to discredit personal life of King and the authority for the

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF FORMER FBI SPECIAL AGENT (SA) BY SSC

FBI's investigation into racial matters in South Georgia during 1960 and 1961 and the authority for their investigation into Stanley Levison and his associations with King.

"In addition to the foregoing statement of Rowse, he telephonically advised on October 17, 1975, that he wanted to add another item which he recalled he was asked about. During the interview, Rowse was referred to an article written by one (first name unknown) Zinn concerning the FBI's role in Albany, Georgia, which article was written critical of the FBI. Rowse was asked about the FBI's response to that criticism. He responded that he did not know and did not even recall reading the Zinn article."

NOTE:

Rowse's statement recorded herein is as typed at the Bureau after he was accorded the courtesy of dictating to a Bureau stenographer.

Jordan is Staff Assistant to David C. Acheson, Special Assistant to the Secretary (for Enforcement), United States Treasury Department. He is a former Assistant United States Attorney for the District of Columbia when Acheson served as United States Attorney for the District.

Born at South Boston, Virginia, on June 20, 1936, Jordan was raised and educated in that community before receiving B.S. and LL.B. degrees, respectively, at the Massachusetts Institute of Technology and Harvard Law School, both at Cambridge, Massachusetts. Before accepting the position of Assistant United States Attorney for the District of Columbia, in 1963, Jordan lived and was employed in the Boston, Massachusetts, area.

It is understood that Jordan was the subject of an applicant-type investigation conducted by the FBI in 1963 when he applied for the position of Assistant United States Attorney. This investigation was favorable except for information that his first marriage was a "shotgun wedding" which led to divorce shortly after a child was born of this union.

GEORGE H. GAFFNEY
DEPUTY COMMISSIONER, BUREAU OF NARCOTICS
TREASURY DEPARTMENT, WASHINGTON, D. C.

Captioned individual is a long-time career employee of the Bureau of Narcotics who has risen through the ranks. He graduated from the United States Naval Academy in 1946. It is understood he will shortly approach his 25th year in combined Federal service. No background-type investigation concerning his Federal employment has been conducted by the FBI.

There is no known association between Mr. Gaffney and former Attorney General Robert Kennedy. However, it is known that he has participated in high-level conferences with him dealing with mutual problems in the organized crime field. As Executive Assistant to the Commissioner, Bureau of Narcotics, Gaffney attended a conference of high-level Government officials with Attorney General Robert Kennedy at the United States Court House, Foley Square, New York City, on March 20, 1963. Gaffney has also been a member of the Committee on Organized Crime, International Association of Chiefs of Police. He participated in the preparation of a report by that Committee which was printed in October, 1964. Gaffney's contribution was a creditable account of La Cosa Nostra's participation in narcotics traffic.

In connection with the recent disclosure in the newspaper dealing with the Bureau of Narcotics' involvement in the monitoring incident regarding Wayne G. Bromley on March 26, 1965, it is understood that Gaffney is greatly chagrined at his Bureau's involvement in the incident. He explained that if the Bureau of Narcotics had any knowledge that the FBI had originally turned down the Justice Department's request for its assistance in the monitoring incident on March 26, 1965, the Bureau of Narcotics would have had nothing to do with the affair. He implied that the Bureau of Narcotics was "sucked in" by the Justice Department in complying with their request which at the time appeared reasonable and legal, and their acquiescence to the request was based strictly on their desire to cooperate with another agency.

HERBERT JOHN MILLER, JR.

The 1966-67 edition of "Who's Who in America" reflects that Herbert John Miller, Jr., was born in Minneapolis, Minnesota, on January 11, 1924. He received the A. A. degree at The George Washington University in 1947 and the LL. B. degree there in 1949. He was admitted to the District of Columbia Bar in 1949 and practiced law in Washington, D. C., from 1949 to 1961. In 1959-60, he served as attorney for the court-appointed Board of Monitors for the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers.

Mr. Miller was appointed Assistant Attorney General in charge of the Criminal Division of the Department of Justice in 1961. He served in this capacity under Attorney General Robert F. Kennedy, as well as for a period under Nicholas Katzenbach, before resigning to return to the private practice of law in the District of Columbia in 1965. Mr. Miller is a partner in the Washington law firm of Miller, McCarthy, Evans and Cassidy--which firm has registered with the Department of Justice under the Registration Act to furnish legal services to the government of the Bahamas, Nassau, Bahamas. In addition, Mr. Miller has served as Chairman of the President's Commission on Crime in the District of Columbia.

One of Mr. Miller's law partners is Courtney A. Evans, a former Assistant Director of the FBI. Mr. Evans entered the FBI in December, 1940, and retired in December, 1964. From 1961 through 1964, he handled liaison with the office of the Attorney General and had numerous official and social contacts with Robert F. Kennedy. Mr. Evans' close relationship with Robert Kennedy continued following his retirement from the FBI.

During Robert Kennedy's tenure as Attorney General, Mr. Evans had a number of discussions with him concerning the use of microphones by the FBI; and Mr. Evans personally prepared official memoranda for FBI files reflecting not only Robert Kennedy's knowledge, but his enthusiastic approval, of the FBI's use of microphone surveillances in criminal-type, as well as security-type, investigations. In a meeting with two FBI officials at the Bureau's headquarters on December 24, 1965, Mr. Evans discussed contacts he had had with, and information which had been furnished to, Robert Kennedy and other Justice Departmental officials who had served under Robert Kennedy concerning the use of the microphone surveillances by the FBI. Nonetheless soon after this meeting, Mr. Evans furnished Robert Kennedy a letter

denying that he had talked with him, or had given written material to Robert Kennedy, about the FBI's use of microphones.

On December 10, 1966, in connection with the public denials that Robert Kennedy knew about the FBI's use of microphones while he was Attorney General, Robert Kennedy released to the press the letter which Mr. Evans had written him. The letter was dated February 17, 1966. In it, Mr. Evans falsely stated that he "did not discuss the use of" microphones by the FBI with Robert Kennedy during his tenure as Attorney General--and further that Mr. Evans did not "know of any written material that was sent" to Robert Kennedy "at any time concerning" FBI microphone surveillances.

On December 11, 1966, the FBI released to the press two memoranda which had personally been prepared by Mr. Evans in the Summer of 1961 relating to discussions he had had with the then Attorney General Kennedy concerning use of microphone surveillances by the FBI. Reportedly, the release of these memoranda (which prove the statements in the letter released to the press by Robert Kennedy on December 10, 1966, to be false) caused a rift between these two men: and Robert Kennedy, it is said, no longer speaks to Mr. Evans.

Another document which was widely publicized in December, 1966, in connection with Robert Kennedy's denial that he knew of the FBI's use of microphones was a letter which the then Assistant Attorney General Herbert Miller wrote to Senator Sam J. Ervin, Jr., on May 25, 1961. In this letter, Mr. Miller indicated knowledge of the FBI's use of 78 wiretaps and 67 other electronic listening devices.

The December 11, 1966, issue of "The Evening Star" of Washington, D. C., contained an article citing the letter which Herbert Miller had written to Senator Ervin on May 25, 1961. The December 11, 1966, newspaper article stated that "Miller himself pointed out that the letter did not mention illegal eavesdrops--the kind involving physical trespass on private property." It then quoted Miller as commenting, "I sincerely doubt that anybody in the Department knew that there was any trespass in placing of these devices. I did not know and I wager that the Attorney General did not know there was trespass."

(Regarding Herbert Miller's above-cited statement of denial, it should be noted that an official memorandum was sent to the

then Deputy Attorney General, Byron R. White, by the FBI on May 4, 1961--three weeks before Mr. Miller wrote his letter to Senator Ervin. The memorandum had been prepared in connection with the contemplated appearance of Attorney General Kennedy before a committee of the United States Senate. It dealt with the authority underlying the FBI's use of microphone surveillances and said, "...in the internal security field, we are utilizing microphone surveillances on a restricted basis even though trespass is necessary to assist in uncovering the activities of Soviet intelligence agents and Communist Party leaders. In the interests of national safety, microphone surveillances are also utilized on a restricted basis, even though trespass is necessary, in uncovering major criminal activities." Thus, there is no question that the Justice Department was notified of the FBI's use of microphones involving trespass early in Robert Kennedy's administration as Attorney General.)

In February, 1961, at the request of the then Deputy Attorney General, Byron R. White, the FBI conducted an investigation of Herbert Miller in connection with the position of Assistant Attorney General in charge of the Criminal Division. The investigation was favorable. It did reflect one traffic citation for passing a red light in Maryland in October, 1960, which resulted in Mr. Miller's paying a fine.

Mr. Miller's nomination as Assistant Attorney General was confirmed by the Senate on March 2, 1961. In commenting upon Mr. Miller's nomination, the "Chicago Sun-Times" editorialized on February 25, 1961, "...it may seem strange that the Kennedy administration, which has been enthusiastically putting worthy Democrats to work since January 20, would tap a member of the GOP for the post.... We suspect that, among others, Teamster Czar Jimmy Hoffa will get the message. Since July, 1959, Miller has been chief counsel for the board of monitors which was created by the U. S. District Court to keep Hoffa's operation of the International Brotherhood of Teamsters under surveillance." (A profile-type feature article concerning Herbert Miller in the December 13, 1966, issue of "The New York Times" credited him with having "directed the Hoffa case through four indictments, three trials and four appeals" in his role as Assistant Attorney General. It stated that Mr. Miller "caught Mr. Kennedy's attention" when "Mr. Kennedy was counsel for the Senate committee investigating the teamsters (and) Mr. Miller was the lawyer for the court-appointed board of monitors supervising the union's affairs." This article also commented upon the fact that Mr. Miller was a Republican at the time of his appointment in 1961.)

On May 11, 1961, Assistant Attorney General Miller testified before the Subcommittee on Constitutional Rights of the Senate Judiciary Committee and expressed himself as favoring the passage of legislation to authorize limited and controlled interception and disclosure of telephone conversations.

By memorandum dated March 25, 1965, Herbert Miller requested the FBI to monitor and tape-record a proposed meeting of Robert Baker, Wayne Bromley (former associate of and Government witness against Robert Baker) and Clifford Jones (former Lieutenant Governor of Nevada) to be held in Los Angeles on the evening of March 26, 1965. Herbert Miller's memorandum requested that this be accomplished by attaching a transmitting device to the person of Bromley. The FBI refused to honor this request.

In December, 1964, Herbert Miller was said by the Department of Justice to be a candidate for appointment as Judge of the United States Circuit Court for the District of Columbia Circuit. In April, 1965, he ceased duty as Assistant Attorney General.

On July 12, 1965, Nicholas Katzenbach, who then was Attorney General, advised the FBI that he (Katzenbach) had suggested to the President that Herbert Miller be designated to serve as Chairman of the President's Commission on Crime in the District of Columbia. Nicholas Katzenbach stated that the President reacted favorably to his suggestion. On July 16, 1965, Herbert Miller's appointment to serve as Chairman of the Commission on Crime was formally announced.

FRED BURTON SMITH

Smith is a career civil servant with the Treasury Department where he now serves as General Counsel. Born on January 27, 1915, at Syracuse, New York, Smith attended Princeton University, Princeton, New Jersey, and Syracuse University, Syracuse, New York, where he received A. B. and LL. B. degrees, respectively. Before commencing employment with the Department of the Treasury in February, 1943, he was employed for three years with the Syracuse, New York, law firm of Hancock, Dorr, Ryan and Shove.

It is understood that Smith was the subject of a background-type investigation conducted by the FBI in 1966 prior to his appointment as General Counsel, Treasury Department. A summary of this investigation, a copy of which is attached, was furnished to the White House in March, 1966. (161-4362)

There is no known association between Smith and former Attorney General Robert F. Kennedy.

INTERVIEW OF RAYMOND SMITH

On 10/23/75, I was interviewed by two members of the Senate Select Committee, Mrs. Mary DeOreo and Mr. Mark Gitenstein, at the Dirksen Building in the office of the Senate Select Committee. The interview began at 10:30 a.m. and ended at Noon. I was not advised of anything pertaining to my rights.

The following are questions asked and the answers I gave, to the best of my recollection:

QUESTION: When you went to the platform that morning - was it the day after Mr. Hoover died, or two days later?

ANSWER: I can't remember.

QUESTION: On that particular morning in question, what did you do?

ANSWER: I went out to the platform and I found the truck sitting funny and I wasn't sure if I had a flat tire or what. I checked the rear tires, but found the tires were up so that I figured something was on the truck. I can't remember if the truck was locked or what, but when I opened the truck it was loaded with cabinets from front to back. I questioned my supervisor, Tony Codi, about the cabinets on the truck. To his knowledge he didn't know where they came from. He went around to the front office to check and was told that the cabinets were to go to Mr. Hoover's house.

QUESTION: Who gave Codi the message to take the cabinets out to Mr. Hoover's house?

ANSWER: It could have been Mr. Marsden or Mr. Gregory. I don't know which. Tony double checked to find out who was going out to Mr. Hoover's house after I questioned him if the moving crew was going. I was told there would be no one going, but there would be a car following the truck.

QUESTION: Did you recognize the car or did you see it?

ANSWER: I couldn't tell the car from any other car out there in the street.

QUESTION: Did the car beat you to the house?

ANSWER: I didn't know if the car beat me there or not because there were other cars parked there.

QUESTION: Where were the cabinets unloaded?

ANSWER: They were unloaded at the side gate.

QUESTION: Who helped you to unload?

ANSWER: I didn't know the people.

QUESTION: Was anyone there that you recognized?

ANSWER: Yes. Miss Gandy.

QUESTION: Did you know Mr. Mohr, the SAC from Washington Field Office or Mr. Dunphy and were they there?

ANSWER: I wasn't sure of that day - I wasn't sure of Mohr or Dunphy. I didn't know the SAC from Washington Field Office.

QUESTION: Did you know anyone in Washington Field Office.

ANSWER: No.

QUESTION: Did the people who helped you move the cabinets - did you recognize any of them - were they Agents or what?

ANSWER: I didn't know.

QUESTION: Were they dressed in suits?

ANSWER: No.

QUESTION: Were the file cabinets full or what did they contain?

ANSWER: I didn't know. All I knew was that they were heavy, that they contained some type of file because while I was unloading one of the cabinets a drawer fell open and I almost fell off the truck. They were manila type, light in color.

QUESTION: Were they regular movers or what that helped you move the cabinets?

ANSWER: No, because they were inexperienced in moving cabinets because I had to show them everything.

QUESTION: Was this an unusual procedure?

ANSWER: Yes, but I didn't ask any questions.

QUESTION: Did the Bureau have their own crew?

ANSWER: Yes, or they generally had GSA come in, according to how big a move they had.

QUESTION: Were they all white or what?

ANSWER: I didn't see any Blacks - everyone was white.

QUESTION: What was the number of cabinets?

ANSWER: There were 15 or more, I can't remember.

QUESTION: How could all of them fit into his basement?

ANSWER: I don't know - I just can remember how the cabinets were arranged in there (the basement).

QUESTION: Were there other boxes and things there?

ANSWER: Yes.

QUESTION: The second move - was it the day after the first move?

ANSWER: Yes, I think it was.

QUESTION: How many cabinets?

ANSWER: Not as many as the first.

QUESTION: Did you have help in moving the cabinets - were they the same people?

ANSWER: I did have help, but I couldn't say if they were the same people.

QUESTION: After unloading the cabinets, what did you do?

ANSWER: I reported back to the Justice Building.

QUESTION: How long did it take you to unload the cabinets?

ANSWER: Maybe an hour or two, I can't remember exactly.

QUESTION: Did you make any other previous trips out there?

ANSWER: Yes, Jesse Peterson and I took some cabinets or small safe files out.

QUESTION: At that time were any cabinets out there?

ANSWER: Yes.

QUESTION: How many?

ANSWER: I couldn't tell, but not as many as I took out there.

QUESTION: Do you know Annie Field, who was his maid?

ANSWER: Yes.

QUESTION: Do you know her well?

ANSWER: I know her well enough as a friend.

QUESTION: Was Annie's room in the basement?

ANSWER: Yes.

QUESTION: Would she have seen the cabinets?

ANSWER: I would think so.

QUESTION: (This would go back to the series of questions on the movers.)
Could anyone else drive the truck?

ANSWER: Yes.

QUESTION: Who could drive it?

ANSWER: Agents or anyone because the truck had been used for special assignments and it was no big thing for someone else to drive it.

QUESTION: Did you keep official records on the trips that you made with the truck?

ANSWER: Mileage was kept, the truck was signed out every morning and in at night, but there were no other records kept.

QUESTION: The day after Mr. Hoover died, Exhibits went up to move things out of his office - if the cabinets were up there, wouldn't Mr. Dunphy have seen them?

ANSWER: I don't know if the cabinets were up there or not - I couldn't answer that question.

QUESTION: How did you get along with Mr. Hoover?

ANSWER: O.K. I had a job to do.

QUESTION: How did you get along with Mr. Tolson?

ANSWER: O.K.

QUESTION: On that morning of Mr. Hoover's death, where were you and what did you know?

ANSWER: On that morning I had to pick up Mr. Tolson and I was told to go to Mr. Hoover's house and to wait until further orders. I waited until Mr. Mouten (ph.), Mr. Hoover's chauffeur, came out and told me to report back to the building. I questioned him as to what was going on, but he didn't tell me, he just said to report back to the building.

QUESTION: Did you know if Mr. Tolson knew he was dead or what?

ANSWER: I didn't know myself because I didn't find out he was dead until I got to the building.

QUESTION: Had you made any previous trips out to Mr. Hoover's house after his death?

ANSWER: Yes. I took some plants from the Botanical Garden to his house.

QUESTION: After Mr. Tolson's death, did you go out to the house to move any cabinets or anything?

ANSWER: No.

QUESTION: Why were you sent to Quantico?

ANSWER: The mechanic job came open - it was something I had worked at part-time and when the job came open I applied for it and I was transferred down there.

QUESTION: Were you drilled on anything?

ANSWER: No.

QUESTION: Have you talked to anyone concerning the cabinets?

ANSWER: Yes. I talked to Jesse Peterson because I was trying to make him remember moving cabinets when we had to set the safe files on the platform.

QUESTION: Why did they use you to drive? Did they trust you?

ANSWER: I don't know. I was just told to take them out there.

QUESTION: Were the cabinets moved out of Mr. Hoover's house at night?

ANSWER: I don't know whether they moved them in the day or night or what.

QUESTION: Do you think GSA could have moved the cabinets from his house that night?

ANSWER: I don't think so.

QUESTION: How did you know something was on the truck?

ANSWER: Just like you would come out the next morning and see something was wrong - I drove the truck each and every day and that's why I knew something was wrong.

QUESTION: How did you get along with Miss Gandy?

ANSWER: O.K. The only trouble I had was one time when I was told to report to her office to make a run out to the house to pick up some mail and I was told I had to take some other things out there and as we were walking along she kept asking the same question over and over again - did I mind going out to the house, and I told her no. When we got to the outer office there were about 15 to 20 cases of soda. I was told to get a handcart to load the sodas and to get a car. I told her if I had known that I had to take the sodas out I would have brought a small truck around. She told me, "In other words, you don't want to go out to the house." I told her I did not say that. I was told "You can report back downstairs" and I told her that was perfectly all right with me. I reported the incident to my supervisor, Mr. Gregory.

QUESTION: Did you see Miss Gandy anymore after that?

ANSWER: Yes, I had to take her to the doctor and the next time was out at Mr. Hoover's house.

Attorney General Edward H. Levi
 Department of Justice
 Washington, D.C. 20530

Dear Mr. Levi:

0 - January 75

At the close of his testimony on September 25, Mr. Charles Brennan, former Chief of Domestic Intelligence Division, indicated that he could not answer a question posed to him by me. The question relates to the status of a so-called "closed" FBI Domestic Intelligence case file. Suppose that the individual who is subject of the file is a member of the military service or applies for employment with a federal government agency, and the agency requests an FBI name check. What information would be provided to the federal agency by the FBI as the result of that name check? What information would be provided to that agency if the FBI conducted a background investigation on that individual?

With respect to surreptitious entries for the purpose of installing electronic surveillance equipment, which are referred to on page three of the September 24, 1975 letter from Michael E. Shaheen, Jr., to myself, I would appreciate answers to the following additional questions:

1. What has been the number of such entries for each year since 1960?
2. What has been the number of separate targets for each year since 1960?
3. What has been the total number of separate targets since 1960?

I would also request access, under agreed upon procedures, to a list of such targets, and the dates of the entries.

Sincerely,

A: Yes.

Q: At the time of the Director's death?

A: No.

Q: Well, when was it?

A: Approximately a year or two before the Director's death.

Q: For what reason?

A: I was told to pick up a package at National Airport and deliver it to Miss Gandy's office, which I did.

Q: Do you know what was in the package?

A: Yes, Miss Gandy indicated it was a plaque honoring the Director and she didn't know what she was going to do with it inasmuch as there was no more available wall space to hang it.

Q: Do you know Miss Gandy well?

A: No, other than her official position.

Q: When did you first meet her?

Q: Weren't you in her office then?

A: I wouldn't construe the above as knowing her well.

Q: What was the purpose of driving her to the Director's house?

A: She said she had to meet with some lawyers concerning the Director's estate.

Q: Do you know who was present at the meeting?

A: No.

Q: Were you?

A: No, I waited outside.

Q: Who ordered you to drive Miss Gandy?

A: The ASAC's.

Q: Who was that?

Q: Weren't you considered the #3 man in WFO?

A: No.

Q: Weren't you a supervisor?

A: No, a relief supervisor.

Q: To Campbell?

A: Yes.

Q: Then wouldn't that make you #3 man?

A: No.

Q: What are your duties?

A: Presently I'm assigned to Squad C-4, and I'm assigned a variety of criminal cases.

Q: Be more specific.

A: Well, I handle numerous extortion-type cases pertaining to the various Senators and Congressmen, I'm assigned the Washington, D.C. phase of the Hoffa case and I assist in bank robberies and other major crimes.

Q: What did you do on the ASAC Squad?

A: I handled major criminal matters and drove the ASAC to the crime scene and assisted him at the scene, and I also worked personnel matters.

A: I don't know what you mean by any official FBI boxes.

Q: Well, were they plain cardboard boxes?

A: Yes.

Q: Were they sealed?

A: Yes.

Q: How many times did you go on this assignment?

A: About 3 or 4.

Q: How many boxes did you take out?

A: About 6 to 8 each time.

Q: Was anybody present?

A: Yes.

Q: Who?

A: Miss Gandy and Mr. Kunkel

Q: Anybody else?

A: On one occasion, I saw the maid, Anna, and the chauffeur, Crawford, and a woman who Mr. Kunkel introduced as Mr. Tolson's secretary, but I didn't know her.

Q: What was she doing?

A: She was writing checks.

Q: Did Miss Gandy have a desk in the Director's house?

A: I don't know.

Q: Did you see any file cabinets?

A: No, to the best of my recollection.

Q: Do you know what was in any of the boxes?

A: Yes.

Q: = What was that?

✓ A: ✓ White shirts.

Q: Howdo you know that?

A: Because Miss Gandy pointed them out.

Q: After you left the Director's house, where did you go?

A: I drove to the loading platform at WFO.

Q: Who met you there?

A: Either Dudney or Shaffer.

Q: And then what?

A: I helped unload the boxes and drove off.

Q: Do you know where the boxes were then taken?

A: No.

Q: Didn't you and Mr. Kunkel talk about what was in the boxes and the purpose of these trips?

A: No.

Q: Why not?

A: Because he never volunteered anything and I figured it was none of my business.

Q: Don't you think this is kind of odd?

A: No, I've helped other people move and clean out their cellars and I considered this about the same thing.

Q: Didn't you become suspicious and scared when you read in the newspapers that allegedly secret files were taken out of the Director's office and destroyed?

A: No, why should I, as I said, before, I wasn't in the Director's office.

Q: Mr. Battle, Mr. Shaffer states you and he removed boxes from the Director's office at the direction of Mr. Kunkel.

A: Well, Mr. Shaffer is wrong. I never went to the Director's office with he or anyone else.

Q: Have you discussed this matter with anyone else?

A: Yes, with the FBI Inspectors who called me in.

Q: That was when?

A: In June, you can get the exact date from the 302.

Q: Have you discussed this matter with anyone else?

A: Well, you know Shaffer, Dudney and Dowling and I come up here this morning together and naturally the matter was discussed.

Q: Do you know or see a memorandum that was circulated by the Bureau concerning this inquiry?

A: No.

Q: When did you last see Kunkel?

A: About 6 months ago, I saw him at an elevator bank in the Bureau and we exchanged greetings.

Q: How about prior to that?

A: When he left for St. Louis.

Q: You haven't discussed this matter with anyone?

A: No, other than the above.

Q: How come Kunkel was transferred to St. Louis, there was a lot of publicity about it?

A: I don't know anything more about it than as you say the national publicity.

Q: Wasn't there a personal feud between Gray and Kunkel?

A: If there was, I don't have any direct knowledge of it.

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

On September 19, 1975, at the request of the Legal Council Division, Federal Bureau of Investigation (FBI) - Headquarters (HQ), Kenneth Shaffer, Chief Clerk, Washington Field Office, appeared at the Senate Office Building for the purpose of being interviewed by the Staff Members of the United States Senate Select Committee on Intelligence Activities.

The interview was conducted by Senate Select Staff Members, Mary DeOreo and Mark Gitenstien. At the on-set of the interview, Mr. Shaffer was not advised of his Constitutional Rights nor was he advised that he was being questioned on a voluntary basis.

During the month of June, 1975, Mr. Shaffer was interviewed at FBI-HQ, relative to his participation in the handling and destruction of material from the residence and Justice Building Office of the late J. Edgar Hoover. As a result of this interview an FD-302 (Report of Interview Form) was prepared. Prior to the time of the interview by the Staff Members, Mr. Shaffer had not had the opportunity to read this report. Mr. Shaffer requested that he be permitted to read the FD-302 report. After a short conference, between the Staff Members, they agreed that it would be permissible for him to read the report.

The interview by the Staff Members lasted approximately one hour and 15 minutes.

Question: After the death of Mr. Hoover, how much time lapsed before you began picking up cartons from his office for disposal?

U.S. SENATE SELECT COMMITTEE ON

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

Answer: A week or two.

Question: What was going on in the Director's office when
you picked up the cartons?

were being prepared for painting and redecorating.

place?

Answer: I really do not know.

Question: Did you see Mr. Mohr, Mr. Felt or Miss Gandy?

Answer: No, I did not.

Question: Who did you see in the Director's office?

Answer: I believe I did speak to Mr. Moten.

Question: Who is Mr. Moten?

Answer: He was Mr. Hoover's chauffeur.

Question: How many times have you been in the Director's office?

Answer: Several times.

(During the course of this questioning, I remarked
that to the best of my recollection, I was not in
the Director's inner office during this pertinent
time.)

Question: How many times did you go to the Director's office
to pick up cartons of material for destruction?

U.S. SENATE SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

Answer: Possibly two or three times.

Question: How many boxes were there?

boxes.

Question: Were the cartons marked in any way?

Answer: As I recall, they were not marked, but were sealed
when received and remained sealed until time of
destruction.

Question: Did Mr. Battle at any time go over to the Justice
Building with you to pick up cartons?

Answer: Yes, I believe he did.

(The interviewer stated that my reply was contrary
to that of Mr. Battle. Mr. Battle indicated that
he was not at the Justice Building with you).

Question: Did you ever go to the Justice Building alone to
pick up cartons of material for destruction?

Answer: No, I did not.

Question: If you had gone alone would you have had to account
for your time to Mr. Dudney?

Answer: No.

Question: Were you ever at Mr. Hoover's residence?

Answer: No.

U.S. SENATE SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER

Answer: I do not recall seeing him.

Question: Tell us how you were advised that material was ready to be picked up?

Answer: Mr. Kunkel would receive a telephone call and in turn would contact Mr. Battle and advise him. Enroute from Mr. Hoover's residence, Mr. Battle would contact the Radio Room and request that I meet him at the platform.

Question: Were these cartons ever placed in the office of Mr. Kunkel?

Answer: No.

(For the record, I did retract this answer and stated "that the beginning of the project, they were placed in a room within his office and kept there until it was time for destruction. After a time, they were taken directly to the disintegrator room. Mr. Dudney and I had the key to this room.")

Question: Is there another storage room in the Washington Field Office where the cartons might have been stored until time for destruction?

Answer: No.

(Following the interview, in talking to Mr. Dudney, I then realized that the interviewers were referring to a walk-in vault where Mr. Dudney had placed material on one or two occasions.)

U.S. SENATE SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

Question: What sort of material was in the cartons?

Answer: Photography, old personal letters, post cards,
Christmas cards, etc., and other personal records.

Question: Do you recall seeing letters which had holes
punched in them indicating that they may have been
part of a file?

Answer: Yes, there were some letters, but they were torn
up and mixed in with other material.

Question: Do you recall seeing at least 150 to 200 3x5 index
cards?

Answer: No, but it is possible that they could have been
mixed in with other material.

Question: If they were in a box, would the disintegrating
machine be able to handle them?

Answer: No, it would not.

(The capabilities and operations of the machine
were fully explained to the Staff interviewers
at this time.)

Question: How long did it take for you to destroy the material?

Answer: Between six to nine hours over a two week period
of time.

Question: Is there any record which would reflect the time
spent in the destruction of the material or the
amount of material destroyed?

U.S. SENATE SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

Answer: No

Question: Was there any destruction of material after the first week of July?

Answer: No.

Question: Knowing that the Bureau had its own disintegrating facilities, why do you think Mr. Kunkel was requested to handle the destruction of the material?

Answer: Prior to Mr. Kunkel's becoming a Special Agent, he was a Clerical Employee assigned to the Director's office. Miss Gandy may have requested his assistance in the destruction of Mr. Hoover's personal papers.

Question: Why do you think that such precautions were taken in the handling and destruction of this material?

Answer: The material was that of a prominent deceased individual and the contents need not be publicized.

Question: Are you assigned to operate the disintegrator machine?

Answer: No, we have employees assigned this duty.

Question: Why did Mr. Kunkel ask you and Mr. Dudney to personally handle the destruction of the late Director's material?

Answer: As Special Agent in Charge, Mr. Kunkel requested Mr. Dudney and I to handle and destroy all material. We did so without question.

Question: Early this year an article appeared in a local newspaper relative to the destruction of material from the office of Mr. Hoover. Did you read this article?

U.S. SENATE SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF CHIEF CLERK KENNETH SHAFFER
BY SSC STAFF MEMBERS

Answer: Yes, I did.

Question: How did this affect you?

Answer: It really did not affect me. It became a private joke between Mr. Dudney and myself in that we may have made the newspapers, but did not realize we were or would ever be involved.

Question: Did you read an article in "Time" or "Newsweek" relative to the destruction of material from the office of Mr. Hoover?

Answer: No sir, I did not.

Question: Did you discuss this matter with anyone?

Answer: No, I did not.

The interviewer emphatically stated that I did discuss the matter at the time I was interviewed as reflected by the copy of FD-302 in his possession.

(I stated that I thought he was referring to a possible discussion with personnel assigned to the Washington Field Office.)

There may have been other questions asked of me; however, as stated above these are the questions I can recall.

At 5:35 p. m. on November 25, Assistant Attorney General Pottinger of the Civil Rights Division in the Department telephonically advised me he had received a memorandum from Attorney General Levi directing him to inquire into the testimony given by FBI representatives recently concerning the Bureau investigation of Martin Luther King, Jr., and to conduct an inquiry into Bureau files concerning that matter. Mr. Pottinger said that he responded by calling the Attorney General and telling him that the Civil Rights Division had already been considering that matter for sometime, but that the inquiry to date had "borne no fruit whatsoever." Mr. Pottinger said that he was calling me in order to advise the Bureau that he would be undertaking a review as requested by the Attorney General and to request our cooperation. I assured Mr. Pottinger that I and others in the Bureau would be willing to cooperate fully with him in that regard.

I immediately advised Mr. Adams of the call from Mr. Pottinger.

RE: VIETNAM VETERANS AGAINST THE WAR/WINTER SOLDIER ORGANIZATION (VVAW/WSO)

- 1 - Mr. H. P. Beckwith
- 1 - Mr. R.L. Shackelford

In June, 1967, Gus Hall, General Secretary of the Communist Party, USA (CPUSA) commented on the forthcoming 1968 national elections. Hall stated that the CPUSA must develop guidelines for the political campaigns and must assist in the development of any 1968 campaign which was antiwar in character and not limited to either major political party. On September 10, 1967, the CPUSA publication, "The Worker," announced that the organization VVAW had been formed in June, 1967, as a nonmembership organization made up of Vietnam veterans who were opposed to the war. This communist publication provided the purpose of VVAW as opposition to the "unjustified" war in Vietnam. It announced that VVAW had joined "the dissent of millions of Americans against the war."

An initial limited inquiry was begun by the Federal Bureau of Investigation (FBI) in September, 1967, to determine, through inquiries with established sources and public source material, if the CPUSA was directing or controlling the newly formed VVAW. This limited inquiry failed to establish that the CPUSA, or any other subversive organization, exercised direction or control over VVAW. The limited inquiry did indicate that VVAW leadership appeared before the Socialist Workers Party (SWP) sponsored Militant Labor Forum in New York City, but there was no indication of any control by the SWP. With the absence of such direction or control by any subversive organization, the limited inquiry of VVAW was closed in October, 1967. A similar limited inquiry was conducted in 1968, resulting in an updated affirmation that VVAW was not controlled or dominated by any subversive group. This second limited inquiry was closed in May, 1968. During the limited inquiries in 1967 and 1968, the National Headquarters of VVAW was located in New York City. VVAW activities were primarily devoted to participation in and organization of demonstrations opposing the war in Vietnam. No full investigation was conducted by the FBI of VVAW until August, 1971, when information from a variety of sources dictated the need to determine the extent of control

over VVAW by subversive groups and/or violence-prone elements in the antiwar movement. Sources had provided information that VVAW was stockpiling weapons, VVAW had been in contact with North Vietnam officials in Paris, France, VVAW was receiving funds from former CPUSA members and VVAW was aiding and financing U.S. military deserters. Additionally, information had been received that some individual chapters throughout the country had been infiltrated by the youth groups of the CPUSA and the SWP. A trend of increased militancy developed within the VVAW and the possibilities of violence escalated within the organization. During December, 1971, VVAW members forcibly and illegally occupied or surrounded public buildings and national monuments in New York City, Philadelphia, Austin, Texas, and Washington, D. C.

During 1972, the FBI estimated that VVAW had approximately 1,800 members and 102 chapters throughout the country. VVAW claimed 23,000 members and 283 chapters. In 1972, some leaders and activists in the VVAW made trips to Europe and Asia during which they participated in conferences with representatives and/or officials of the Soviet Bloc, North Vietnam, and the National Liberation Front (NLF) of South Vietnam. VVAW leaders informed the membership that VVAW had been asked to cooperate on an international level with many organizations, including communist or Maoist groups, describing these groups as "our friends." When reporting on trips to Paris, Moscow and Hanoi, VVAW leaders indicated the organization was dedicated to ending imperialist aggression and establishing a firm relationship with the NLF.

In June, 1972, a delegation of fifteen VVAW members and leaders attended a war crimes conference near Paris. The conference, which included representatives of North Vietnam and the NLF, was sponsored by two Trotskyist organizations in France. One of the VVAW national officers addressed this conference and it was reported that the French Communist Party had paid for the expenses of the VVAW contingent at the conference.

During October, 1972, the National Steering Committee (NSC) of VVAW met and discussed the direction of VVAW and the need to make it an anti-imperialist

political group, rather than "just another group of war veterans." Most of the speakers participating at this meeting expressed their views indicating VVAW was utilizing a Marxist-oriented analysis of world problems. Additionally, it was indicated that VVAW had established relations with the Irish Republican Army, had contact with the Angolans, and was attempting to establish liaison with the Peoples Republic of China (PRC).

In April, 1973, the organization changed its name to VVAW/Winter Soldier Organization (VVAW/WSO). The change was made in order to absorb into the organization, individuals who were not veterans of military service.

By April, 1973, VVAW/WSO leadership claimed to have connections with over 200 foreign organizations and maintained that VVAW/WSO was considered a credible organization by these organizations. In October, 1973, representatives of VVAW/WSO attended and participated in the World Peace Congress, Moscow, U.S.S.R.

In 1973, an ideological split became evident within the national leadership of VVAW/WSO. The split arose between those espousing the Marxist-Leninist doctrine and those espousing the Marxist-Leninist doctrine as interpreted by MAO Tse tung. During 1973, the anti-Maoist Marxist-Leninist group seemed to be dominant and expressed determination in educating the VVAW/WSO membership in this doctrine. By 1973, VVAW/WSO was composed of approximately 130 chapters with an estimated membership of 2,000. The National Headquarters was, and still is, located in Chicago, Illinois.

By April, 1974, the NSC devoted itself to the theme of defining VVAW/WSO as a politically oriented organization, capable of uniting with as many people as possible to combat U.S. imperialism. The hope was expressed that VVAW/WSO would become part of the vanguard of the revolution within this country. Within the NSC, dissatisfaction developed and was expressed by some of the chapters concerning the VVAW/WSO publication, "Winter Soldier." The dissatisfied members claimed the publication reflected communist propaganda rather than

chapter activities, news about the Third World, and news of activist groups. Additional disenchantment with Soviet-type communism reportedly manifest itself in the sending of a letter of censure to the Soviet Union, protesting the rape of a female VVAW/WSO delegate to the World Peace Council, held in Moscow during 1973. VVAW/WSO reportedly severed relations with the CPUSA over this incident.

In October, 1974, VVAW/WSO held a National GI Organizing Conference designed to initiate the building of a fighting, anti-imperialist movement within the U.S. military for the purpose of creating disruption and disorientation within the military when the revolution occurred.

In December, 1974, the NSC voted to align VVAW/WSO with the Revolutionary Union (RU). This changed their political position from a largely Marxist approach to one following a strict Maoist line. This alignment with RU created internal strife within VVAW/WSO. Some chapters which refused to adopt the Maoist line were severed from the national organization. In June, 1975, some of the VVAW/WSO chapters which did not support the National Office held a meeting in which they verified severance from the national organization and agreed to set up an independent organization. This rival group was intended to be anti-imperialist in nature, but, to date, its future is not certain.

The current National Office of VVAW/WSO is strongly influenced by RU and could develop into an RU front.

Throughout its history, VVAW/WSO has not been a well-disciplined, theoretically consistent organization. The various chapters never rigidly followed the dictates and policies presented by the National Office. There have been instances of rejection of the National Office, concepts both on a chapter and a regional basis. The cessation of the U.S. involvement in the war in Southeast Asia substantially decreased the membership of VVAW/WSO. Numerous individuals and many chapters withdrew from the organization. Chapters and regions were dissolved or consolidated.

In 1974, FBI field offices were instructed to analyze the chapters and regions in their respective territories. If the local organization did not subscribe to the policies of the National Office and were not Marxist-Leninist groups advocating the overthrow of the Government, the investigation of the local organization was to be terminated. Most of the local chapters and regions continued to be nominally affiliated with the nationwide VVAW/WSO, but the splintering and the internal ideological disputes demanded close examination of the local positions of each region and chapter. Many of the investigations of the various chapters were closed, not because they were no longer active, but because of their apparent failure to follow the Marxist-Leninist revolutionary posture of the National Office. No current nationwide membership figures are available for VVAW/WSO because FBI investigation is limited to specific chapters which are revolutionary in nature. Currently, the most active of these chapters exist in Chicago, Milwaukee, New York and San Diego.

At 11:05 a. m., on November 21, Harry Morgan, former SAC, telephonically advised me that he had just received a telephone call from Gary Grace, a reporter for the Cincinnati, Ohio "Post", whose telephone number is 513-721-1111. Grace requested a comment from Morgan concerning testimony by Mr. Adams on November 19 before captioned Committee in which it was mentioned that Mr. Morgan was the author of a memorandum June 3, 1968, which described a COINTELPRO operation against Antioch College. Mr. Morgan asked me for advice as to what his response to the press should be. I reminded him that he was still bound by an employment agreement requiring his secrecy and I suggested to him that it would be appropriate for him to refer the press inquiry to FBI Headquarters for comment here. Mr. Morgan said he understood and accepted both of these suggestions, however, he would like to respond to the press inquiry with the limited statement that he was aware of the testimony by Mr. Adams and if Mr. Adams said that he (Morgan) was the author of such memorandum that he considered it to be true. I told Mr. Morgan that I saw no difficulty in his furnishing such an observation. He thanked me and terminated the call.

I advised Mr. Coll, Press Service Office, of conversation with Mr. Morgan and alerted him to the fact that his office may receive a call from Gary Grace.

As the Bureau is aware, Mr. JOHN SMITH is a former U. S. Attorney in Louisville. He is extremely friendly with many Agents of this office and volunteered that he has a brother who is a Special Agent in the San Francisco Office.

He arrived at 9:40 AM and departed at 11:35 AM. Our conversation in my office lasted from 9:40 AM to 10:55 AM. Except for approximately thirty minutes, the majority of the time was general conversation about his past activities in Louisville, people he knew in the Bureau, etc. Between 10:55 and 11:35 AM, he was afforded a tour of the office and visited with Agent friends throughout the office.

SMITH advised he believes public hearings of the SSC will continue until December, 1975. He advised hearings on IRS will be coming up soon and thereafter additional hearings on CIA "re letter openings," plus hearings with the National Security Agency. SMITH advised he contemplates getting off the Committee around 12/1/75.

Bureau will be kept advised in the event SMITH re-contacts SAC, Louisville.

U. S. SENATE SELECT COMMITTEE
ON INTELLIGENCE ACTIVITIES (SSC)

RE: INTERVIEW OF FBI SPECIAL AGENT IN
CHARGE (SAC) STANLEY S. CZARNECKI
BY SSC STAFF MEMBER

On Friday, September 26, 1975, Mr. John Smith, Staff Member, SSC, interviewed SAC Stanley S. Czarnecki in his FBI office, Louisville, Kentucky, for approximately thirty minutes.

Czarnecki was not advised of any constitutional rights nor was he requested to sign any waiver of rights form.

Mr. Smith stated that while he was in his Washington, D. C., office earlier this week, members of the SSC staff, identities not mentioned, requested him to contact Czarnecki in connection with Smith's impending visit to his home in Louisville. Specifically, they requested Smith to interview Czarnecki concerning a memorandum Czarnecki had "signed out," captioned "Investigations of Key Activists - New Left," dated May 24, 1968. Mr. Smith stated he did not have a copy of this memorandum nor had he read it. He stated it dealt with requesting of Federal Income Tax returns of certain Key Activists from the U. S. Internal Revenue Service (IRS). Czarnecki advised he could not recall this specific memorandum nor its contents. Czarnecki advised Mr. Smith that he doubts that he had "signed out" a memorandum and then explained all of his correspondence was approved or "signed out" by a Unit Chief to whom Czarnecki was assigned at any given time. It was further explained that Czarnecki had served in two Sections, eight Units, and three Divisions at FBI headquarters during the period September, 1967, through April, 1972.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

RE: INTERVIEW OF FBI SPECIAL AGENT IN
CHARGE (SAC) STANLEY S. CZARNECKI
BY SSC STAFF MEMBER

Mr. Smith asked Czarnecki if he had ever requested IRS to furnish the FBI any income tax returns on Key Activists and what procedure was followed in requesting same. Czarnecki explained he could have; however, could not recall if he personally had ever requested such tax returns; however, he does recall such requests were made on a selective basis. These requests were made only after careful review of the request and approval obtained by officials within the Domestic Intelligence Division.

Smith asked Czarnecki if he had ever seen any of the tax returns and what type of security was afforded them. Czarnecki advised he had seen some tax returns of Key Activists and believes the number was small. These returns as well as all documents located in the Domestic Intelligence Division were afforded top security and most all such material was reviewed on a need-to-know basis.

Smith also asked whether the Bureau supervisor handling Key Activists had direct live contact with Internal Revenue Service Agents. Czarnecki stated he recalls no direct contact was ever had with IRS people by the regular Bureau supervisors.

Smith asked Czarnecki's opinion whether or not the Federal Income Tax returns should be made available to all law enforcement agencies to aid them in certain types of investigations. Czarnecki advised he could not speak for all of law enforcement, however, depending upon the type of investigative matter any and all information that could be developed on a key subject or suspect would be helpful.

Mr. Smith advised Czarnecki that he may be back in touch with him in approximately three weeks and, if necessary, will have a copy of the memorandum which Czarnecki allegedly "signed out."

the identity of the interviewers and that he was free to
exercise his rights at any time as guaranteed by the
United States Constitution. SA LASH was advised that he
had the right to have an attorney present and the right
to have a United States Senator present, SA LASH waived
both of these rights. He was also advised that the scope
of the inquiry would concern the handling of MARY JO COOK,
a former FBI informant, exclusively.

A court reporter was present who dictated into
a cassette recording machine during the interview.

SA LASH was not sworn.

As follows are the questions directed to SA LASH
and the answers that he provided according to the best
recollection of SA LASH:

This document contains neither

of 1973?
LASH Yes
POSTAL Did you specialize in any type of
investigations?
LASH Yes, Internal Security investigations
POSTAL Did you have occasion to recruit
Mary Jo Cook as an informant in an
organization known as Vietnam Veterans
Against the War (VVAW) (Characterization
of which is contained in appendix hereto)?
LASH Yes
POSTAL Would you state why the Buffalo Chapter
of the VVAW was being investigated
by the FBI?
LASH I do not feel that I can answer this
question within the scope of the current
interview.
POSTAL Who was your supervisor at the time
you handled Mary Jo Cook?
LASH Francis Jenkins
POSTAL Who was your SAC at the time?
LASH Richard Ash
POSTAL Would you describe for us the methods
of recruiting Mary Jo Cook.
LASH Upon discovering that Mary Jo Cook had
attended some meetings of the Buffalo
Chapter of the VVAW, I interviewed her
concerning her attendance and indicated
to her that I wished her to become an
informant for the FBI.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Specifically, what instructions did you give her?

LASH

I told her to become a member of the Buffalo Chapter of the VVAW in order that she might gather information concerning violent or radical activities engaged in by the organization.

POSTAL

What specific area was Miss Cook assigned to work in?

LASH

Initially she became a member of the women's group of the VVAW.

POSTAL

Was this group of the VVAW engaged in any specific type of activity at the time?

LASH

I believe at this point in time they were trying to develop various programs they could implement in the future.

POSTAL

Did you tell her she was to obtain background information concerning individuals in the group?

LASH

I told her to obtain information concerning members of the VVAW.

POSTAL

What do you mean by "a member?"

LASH

The VVAW did not have membership cards as such, however, I considered a person who attends meetings of the Chapter or gives financial or other support to be a member of the organization.

POSTAL

What type of background information did she obtain?

LASH

She obtained physical descriptions and other types of background information such as residences or employment which would allow me to differentiate between that individual and other individuals in the Buffalo area.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Did you have her provide any other information concerning individuals in the organization?

LASH

I asked her to identify those individuals who had a capability of engaging in radical or violent activities.

JEFF KAYDEN

What is the difference between violent and radical activities?

LASH

Radical activities that are not violent are those which are illegal or infringe upon the rights of other citizens.

POSTAL

Did you have another Agent present with you when you recruited Mary Jo Cook?

LASH

Yes, I did.

POSTAL

For what reason?

LASH

It is a FBI regulation that two Agents be present during initial interviews with female informants.

POSTAL

Did this Agent become a handling Agent of Mary Jo Cook?

LASH

No, he did not. He was merely present during the initial interview.

POSTAL

When did you first contact Mary Jo Cook?

LASH

June, 1973

POSTAL

Did Mary Jo Cook attend meetings of the VVAW with her boyfriend, whose name we shall not mention?

LASH

I believe she did.

POSTAL

Did she and her boyfriend ever give joint reports?

LASH

I can not discuss that matter within the scope of this inquiry.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Miss Cook stated that the objectives of the VVAW were as follows:

To end the war in Viet Nam, to obtain better veteran's benefits, to upgrade bad conduct discharges, to obtain drug treatment for veterans. Is this correct?

LASH

I believe they embraced those objectives but they also had others.

POSTAL

What were the other objectives?

LASH

As she described them, the destruction of U. S. imperialism and the replacement of our form of government with a socialist government, probably modeled after the government of Red China.

POSTAL

Did the VVAW ever engage in violent activities?

LASH

Yes.

POSTAL

Could you cite some examples?

LASH

The first meeting she attended, for example, concerned the planning of a disruption of a U. S. Marine Corps Armed Forces Day display in Buffalo. On other occasions actions were planned which were illegal and disruptive.

POSTAL

Can you give any examples of violent activities by individual members?

LASH

I recall on one occasion several members in this organization told Miss Cook that they felt the actions of an individual who was arrested for a bombing on the University of Michigan campus, which resulted in death, were justified for political purposes.

POSTAL

Do you know of any violent activities that VVAW members actually engaged in since the foregoing could possibly be rhetoric?

LASH

On several occasions members of the

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

LASH

VVAW have physically assaulted members of other subversive groups in the Buffalo area.

POSTAL

Miss Cook has indicated that you told her that you were interested in attempts by other groups to take over the VVAW. Did this ever happen?

LASH

According to information provided by Miss Cook, the Revolutionary Union (Characterization of which is contained in appendix hereto) was attempting to take over the VVAW. I was interested in this.

POSTAL

What is the Revolutionary Union?

LASH

The Revolutionary Union is a Maoist subversive group.

POSTAL

Was the Revolutionary Union attempting to take over the Buffalo Chapter?

LASH

According to Miss Cook, they were trying to take over chapters in several areas of the country and she said that they were taking over the New York City chapter, however, I cannot recall specific attempts to take over the Buffalo chapter while I was handling Miss Cook.

POSTAL

Did the Revolutionary Union ever take over the VVAW?

LASH

I cannot answer that within the scope of this inquiry.

POSTAL

Did you consider the VVAW to be a subversive organization?

LASH

Yes

POSTAL

Do you know anything about "Cointelpro"?

LASH

I cannot answer that within the scope of this inquiry.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Did you ever use information provided by Mary Jo Cook in any cointelpro-type activities such as getting members of VVAW fired from their jobs or telling the parents of members?

LASH

No I did not.

POSTAL

Did you ever take any actions against Mary Jo Cook or her family?

LASH

No I did not.

POSTAL

Did you ever engage in any disruptive or neutralizing action against the organization?

LASH

I engaged in no disruptive activities, however, if I learned that the organization was planning something illegal I would alert the local authorities and sufficient police officers would appear at the scene to prevent trouble. I feel this neutralized any planned illegality by the VVAW.

POSTAL

Did Miss Cook ever provide you with mailing lists of the organization?

LASH

Miss Cook provided me with any number of lists, whether they were described as mailing lists or membership lists, I cannot recall.

POSTAL

Did she ever provide you with any contribution lists of the organization?

LASH

Not that I can recall.

POSTAL

Did you ever tell her that you were interested in determining if the organization was receiving funds from foreign sources.

LASH

I cannot specifically recall telling her that.

POSTAL

Would you be interested in knowing if the VVAW was receiving funds from foreign sources?

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

LASH Yes I would.

POSTAL Did you ever find out that the VVAW was getting funds from foreign sources?

LASH No.

POSTAL What did you do with the names that were contained on these lists?

LASH I would review the lists to determine if there was anything significant contained in them and a great deal of them I would do nothing with and merely return the lists to Miss Cook. She provided me with a lot of material that I had no interest in.

POSTAL Did she ever provide you with a defense pamphlet?

LASH Not that I can recall

POSTAL Did she ever give you any information concerning VVAW defense strategies?

LASH I believe she gave me material such as reprints of articles from "Psychology Today" and from a magazine called, "Counter Spy" and other information of that nature.

POSTAL Did she tell you that she was working with the Attica Defense Committee?

LASH Yes

POSTAL What is the Attica Defense Committee?

LASH It is an umbrella-type organization in which individuals who are interested in defending Attica prisoners as well as individuals seeking their own ends have gotten together.

POSTAL Did Miss Cook ever indicate that the VVAW was a conduit of mail between the Attica Defense Committee and prisoners in order to get letters in and out of Jail?

LASH I don't recall her saying that.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Did she ever talk about courtroom tactics or witnesses to be used by the Attica Defense Committee?

LASH

Not that I can recall

POSTAL

Did you ever give any information she provided to the Attica prosecutors?

LASH

None whatsoever

POSTAL

Did you ever give any kind of information regarding the Attica Defense Committee to others outside the FBI?

LASH

I would pass on information concerning demonstrations, rallies, etc. to the local authorities.

POSTAL

Did she ever talk about demonstrations in the courtroom itself?

LASH

Not that I can recall.

POSTAL

Did she ever provide logistical type information concerning Attica demonstrations?

LASH

Yes, on one occasion she was even a "parade marshal" at a demonstration.

POSTAL

Was there ever any violence at Attica Defense Committee Demonstrations?

LASH

On one occasion another group which was marching in a demonstration planned to march out of the parade and trash the Chase Manhattan Bank in Buffalo provoking the police. This information was brought to the attention of the police and it did not occur. And as I recall, I also told Mary Jo Cook about this plan and might have prevented it from happening.

POSTAL

Are any of the individuals who are actually connected with the defense of the Attica prisoners known to be violence-prone individuals?

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

LASH

I cannot answer that within the scope of this inquiry

POSTAL

What was the method of her providing you with reports?

LASH

She would provide me with information either in person or by telephone, which I would dictate to a stenographer, have reduced to writing and have her sign.

POSTAL

Did these reports contain background information regarding individuals?

LASH

Yes

POSTAL

What type of background information?

LASH

The same type I described before, physical data, place of employment, residence, etc.

POSTAL

Did she give you follow-up data on this background information?

LASH

Yes. If a person changed his residence or employment she would tell me.

POSTAL

Did she make conclusions in her reports?

LASH

She reported information factually, however, I believe she did make conclusions regarding the propensity for violence for individuals in the organization.

POSTAL

Miss Cook indicated that after a while she began to give you reports wherein several meetings would be reported in one report if these meetings concerned a central theme. Is this true?

LASH

As best I can recall, Miss Cook gave me reports on each individual meeting she attended.

POSTAL

Did you ever indicate to Miss Cook that you had specific questions for her from Washington?

LASH

I cannot recall saying that.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

She stated that on occasion you provided her with a list of questions which she said came from Washington and sometimes she did not understand the questions.

LASH

On occasion I would ask her questions about the organization. I never gave her any list of questions that I said came from Washington. On several occasions I told her, in response to her questions, that the information she provided was sometimes sent to Washington since it pertained to VVAW nationally. I pointed out that this should calm her fears that the FBI might be getting information from informants who are not telling the true story about the VVAW. I also pointed out to her that her information being accurate would in fact offset any mis-information that might come from another informant.

POSTAL

Did Miss Cook ever provide out of town reports?

LASH

Yes. Miss Cook traveled to other cities and provided reports on activities in these cities.

POSTAL

Was she provided with the names of Agents and telephone numbers in these other cities.

LASH

Yes she was.

POSTAL

Was this so she could report to these other Agents?

LASH

No. She was given the number for emergency purposes only, to be utilized if she found out something that required immediate attention or if she suffered some personal emergency such as an automobile accident, etc.

POSTAL

During her trips to other cities and attendance at conventions, did she obtain any documents for the FBI?

LASH

Yes.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

What was the nature of these documents?

LASH

Any number of documents and handouts were provided to the attendees at conventions. Some of these were pamphlets describing VVAW activities, copies of VVAW newspapers, flyers concerning demonstrations and activities in other VVAW chapters, etc.

POSTAL

What was the method of payment for Miss Cook's services?

LASH

Miss Cook was paid on a COD basis for information provided.

POSTAL

Was she paid a salary?

LASH

No

POSTAL

What determined the amount that she was paid monthly?

LASH

She was paid on a monthly basis COD for information provided. Inasmuch as she provided a good deal of information every month, she was usually paid the maximum amount permitted by FBI Headquarters, therefore monthly payments often totaled similar amounts.

POSTAL

Was she instructed to pay income tax?

LASH

She was advised to treat all money she received from the Bureau as income and to pay appropriate taxes.

POSTAL

Was she given any instructions on how to report her income from the FBI?

LASH

I cannot recall giving her any specific instructions, however, if I had I would have instructed her to report it as miscellaneous income or income from self-employment, something of that nature.

POSTAL

Were these instructions to conceal the fact that she was receiving money from confidential FBI funds?

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

LASH No. This would have been to conceal the fact that she was an FBI informant.

POSTAL Did you get Mary Jo Cook a job?

LASH I aided her in finding employment.

POSTAL What were the circumstances?

LASH Miss Cook indicated that she was being criticized by members of her group for being a "lumpen proletariat" (PH) for not being gainfully employed. This is a Marxist term for anyone being supported by their parents or Welfare, etc. She indicated that it would be necessary for her to find a job and I contacted a social acquaintance of mine who is employed by a Buffalo area bank, who advised that the bank is always looking for tellers. I advised Miss Cook to go to the bank. She did and she got a job as a teller.

POSTAL Did Mary Jo Cook feel she was an Agent Provocateur?

LASH No. On the contrary, I feel if anything she was a non-provocateur since I instructed her to act in such a way as to prevent any violent or illegal act that might be discussed in her presence. I think she understood this and acted in this way.

POSTAL Why did Mary Jo Cook act as an informant?

LASH Mary Jo Cook was an actual member of the VVAW as well as being an informant for the FBI. She reconciled this in her mind by feeling that she was providing the FBI with information that was objective and true about the organization, as well as preventing violent individuals from taking over the group.

POSTAL What percentage of the group did you feel was violence prone?

LASH I do not think I can answer that.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

You cannot give some approximation?

LASH

According to Miss Cook there were individuals who were not interested at all in violence, as well as individuals who were interested in taking up the gun and fighting in the streets as a defensive measure assuming that a violent revolution would be started by the establishment. There were also individuals who were interested in initiating violence themselves to bring about their political goals. What percentage of the group each of these factions represented, I cannot say.

KAYDEN

Could you indicate the number of violent activities that the VVAW was involved in during the period you handled Mary Jo Cook?

LASH

I cannot recall.

KAYDEN

Was it 2 or 25?

LASH

Between 2 and 25.

KAYDEN

Mary Jo Cook indicated that the VVAW members were the most loving and good people she has ever met. Did she ever indicate that to you?

LASH

Yes.

KAYDEN

If she indicated that these people were so loving and good, how did you feel that they could engage in acts of violence.

LASH

I do not mean to be facetious, but I have read that the "Charles Manson family" in California claim to love each other and are very interested in ecology and other good things. But I believe they certainly seem to be capable of engaging in violence.

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

POSTAL

Miss Cook indicates that she felt there were other informants in the group. Did you ever discuss other informants with her?

LASH

On one occasion an individual came to Buffalo from another part of New York state who was suspected of being an informant. The group wanted to take action against him, however Mary Jo Cook told them they should take no action, but rather should check with VVAW members in his home area to determine if he was an informant. I believe at the time it was necessary for me to ask her about this situation immediately after it happened and she therefore suspected we had other informants in the organization.

POSTAL

Did you indicate to her that if she were to quit you would put other informants in the organization who would possibly not be as truthful about the VVAW as she was?

LASH

Yes. I believe I did indicate this to her.

POSTAL

Why did she quit?

LASH

Because she indicated that she was having nightmares and suffering actual physical afflictions due to her fears of being discovered as an informant.

POSTAL

She has indicated that she has had long political discussions with you where you disagreed with her on political issues. Is this correct?

LASH

Yes, this is correct.

POSTAL

What prompted these discussions?

LASH

She indicated on many occasions that as a member of the VVAW she was only hearing political perspective from the far left. She asked that I present her with an alternative perspective which I attempted to do. I attempted to point out that there are two sides

UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES

LASH
(Cont.)

to every question. For example, I recall on one occasion she was told by the VVAW that Bethlehem Steel in the Buffalo area had permitted a worker to die rather than shut down a blast furnace after a worker had fallen down into the furnace area. I checked on this and told her that the true story was that the worker had had a fatal heart attack before falling into the dangerous area and that immediately after his fall everything was shut down for his rescue.

POSTAL

Did she indicate to you that she was especially concerned about the atrocities at Attica Prison?

LASH

Yes, she did.

POSTAL

Did you ever indicate to her that you talked to someone who had been there and said there were no atrocities?

LASH

I indicated to her that I had talked to a physician who had been there after the rebellion had been put down who had told me that the individuals he treated had been injured during the period the prison was in the hands of the rebellious inmates and not during the suppression of the riot.

POSTAL

Did she ever discuss political parties with you?

LASH

The only thing I can recall is her telling me that at some time in the future the VVAW will be a grassroots socialist party in the United States.

POSTAL

Did she mention an individual named Martin Solestry (PH)?

LASH

Do you mean Martin Sostre?

POSTAL

Who is he?

LASH

He is a prison inmate I believe in Auburn Prison.

**UNITED STATES SENATE
SELECT COMMITTEE ON
INTELLIGENCE ACTIVITIES**

POSTAL

Is there a Martin Sostre Defense Committee?

LASH

I believe so.

POSTAL

Did she ever give you any information about the Martin Sostre Defense Committee?

LASH

No

POSTAL

When she wanted to quit did you try to keep her as an informant?

LASH

On several occasions I convinced her that she should remain an informant but at the time of our last contact I felt that she had truly made up her mind and I made no further attempt to convince her to remain an informant.

POSTAL

Did it bother you that she was reporting to you on the political activities of these individuals?

Is it Bureau policy that informants report on political activity?

LASH

I don't feel that I can answer either of these questions within the scope of the inquiry.

APPENDIX

VIETNAM VETERANS AGAINST THE WAR/
WINTER SOLDIER ORGANIZATION

The Vietnam Veterans Against the War, formed in 1967 by Vietnam veterans to protest United States involvement in the war in Southeast Asia (changed name to Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/WSO) in 1973 to include non-veterans as members), has sponsored numerous anti-government demonstrations, some resulting in violence. The VVAW/WSO National Office (NO) and some key chapters are infiltrated and influenced by the militant Revolutionary Union (RU) organization, and VVAW/WSO leaders have told members that VVAW/WSO is a revolutionary organization, not "just another group of war veterans." The current Marxist-Leninist-Maoist oriented NO, which promotes education of the membership in Marxist-Leninist-Maoist doctrine and directs the organization into political growth along the same lines, has at VVAW/WSO National Steering Committee Meetings (NSCM), in 1974, portrayed VVAW/WSO as a mass anti-imperialist organization and a vanguard of the revolution eventually created by the masses.

VVAW/WSO leaders voted at the December, 1974 NSCM to align VVAW/WSO with the RU, which organization follows a strict Maoist line designed to bring about violent revolution in the United States.

APPENDIX

APPENDIX

REVOLUTIONARY UNION

The Revolutionary Union (RU), founded in early 1968 in the San Francisco Bay area, is a militant semi-covert Marxist-Leninist revolutionary organization ideologically oriented towards the People's Republic of China and the teachings of Chairman MAO Tse-tung. Its objectives as set forth in its theoretical publication, "The Red Papers," and in its monthly newspaper, "Revolution," are the development of a united front against imperialism, the fostering of revolutionary working class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-MAO Tse-tung thought, leading to the overthrow of the United States Government by force and violence. Members of the RU have been identified as collecting weapons while engaging in firearms and guerrilla warfare training. As of July, 1974, RU national headquarters was located in Maywood, Illinois.

RE: GARY THOMAS ROWE

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 10/19/02 BY [signature]

At 11:00 a.m., November 21, 1975, Special Agent NEIL P. SHANAHAN of the Philadelphia Division of the FBI was interviewed under oath by two staff members of the above styled committee in the Old Senate Office Building in Washington, D.C. Present during the interview and doing most of the questioning was Mr. ROBERT KELLY, and Mr. JOHN BAILEY, who identified themselves as staff members of the Senate Select Committee (SSC).

Prior to any questioning, it was explained by Mr. ROBERT KELLY that SA SHANAHAN would be testifying voluntarily and that he had a right to be represented by counsel if he so desired. Also prior to any questioning, Mr. KELLY explained that he had previously interviewed GARY THOMAS ROWE, a former confidential informant for the FBI and would be asking questions prompted by information furnished to him by Mr. ROWE.

After responding to questions of a general informative nature, such as when SA SHANAHAN handled Mr. ROWE, and the general dates of Mr. SHANAHAN's employment and assignments with the FBI, certain specific areas were covered and recalled by SA SHANAHAN as follows:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

62-110315-1106X1

UNITED STATES SENATE SELECT
COMMITTEE TO STUDY GOVERNMENTAL
OPERATIONS WITH RESPECT TO
INTELLIGENCE ACTIVITIES (SSC)

A question was asked concerning activities taken by SA SHANAHAN upon receipt of information from Mr. ROWE that the Ku Klux Klan was going to immediately engage in some form of violent activity. SA SHANAHAN responded that upon receipt of such information, it was immediately reported to his superiors, and evaluated to determine what immediate action, such as dissemination to local authorities, etc., was required. A question was asked in this area directly on the issue of whether anyone in the FBI instructed Mr. ROWE to engage in any violent activities. Mr. SHANAHAN responded that at no time did he, or anyone else to his knowledge, instruct Mr. ROWE to engage in any violent activity. In fact, he was often instructed to avoid engaging in violent activity.

At one point in the interview, Mr. JOHN BAILEY asked questions concerning whether SA SHANAHAN could express his opinion as to the morality or ethics involved in certain activities which Mr. ROWE had reported that he had engaged in. This question was re-phrased several times by Mr. BAILEY because of SA SHANAHAN's repeated statements that he did not understand the extent of the information sought by Mr. BAILEY.

Another critical area of questioning dealt with a statement made by Mr. ROWE that at some time during the trials of three members of the Ku Klux Klan, for killing Mrs. VIOLA LIUZZO, he had advised Mr. JOHN DOAR, Assistant Attorney General, that they had been introducing testimony from one Mr. LEROY MOTON, who was identifying himself under oath as the man present in the automobile with Mrs. LIUZZO when she was shot. Mr. ROWE had advised Mr. DOAR that Mr. MOTON was not the same man who was in the auto with Mrs. LIUZZO when she was shot. In response

UNITED STATES SENATE SELECT
COMMITTEE TO STUDY GOVERNMENTAL
OPERATIONS WITH RESPECT TO
INTELLIGENCE ACTIVITIES (SSC)

to these questions, Mr. SHANAHAN testified that Mr. ROWE had at some point during these trial proceedings, seen either in person or a photograph in the newspaper of Mr. LEROY MOTON, and had advised Mr. SHANAHAN that this man was not the same man he had seen riding in the car with Mrs. LIUZZO. At the next opportunity, Mr. SHANAHAN contacted Mr. JOHN DOAR and had Mr. ROWE relate to Mr. DOAR his opinion concerning the identity of LEROY MOTON as the man present in the car with LIUZZO. Mr. SHANAHAN further testified that he did not know what, if any, impression this had on Mr. DOAR and the further content of the trial.

At a point the interview appeared to be over and Mr. KELLY and Mr. SHANAHAN conversed off the record, during which conversation Mr. KELLY related that Mr. ROWE had currently had some difficulties with Mr. DOAR and the Department of Justice after the FBI had relocated him in another part of the country and that some of the statements being made by Mr. ROWE concerned his treatment by the Department of Justice after he was no longer under FBI control. Mr. SHANAHAN mentioned that he recalled that GARY THOMAS ROWE received a written agreement signed by Attorney General NICHOLAS D. KATZENBACH, which outlined what agreement would exist between Mr. ROWE and the Department of Justice. Mr. KELLY asked Mr. SHANAHAN to go back on the record and relate this under oath, which was done. Mr. SHANAHAN testified only that he had been present during negotiations between Mr. ROWE and Mr. DOAR about this agreement and had seen the agreement furnished to Mr. ROWE prior to Mr. ROWE's testimony during the Federal trial in Montgomery, Alabama.

The attached correspondence was forwarded to the Director by the Department of Justice.

Testimony before Congressional Committee regarding the FBI.

Senstudy - 75

As you know, both the Senate and House of Representatives Select Committees on Intelligence Activities are hearing public testimony concerning the FBI and involving some matters which were previously investigated by the Criminal Division. Although the Criminal Division may be doing this already, I would appreciate it if you would have this testimony reviewed to determine whether any investigation should be reopened or any new investigations initiated.

I am particularly concerned about the recent allegations regarding FBI activity directed against Martin Luther King because I am advised that some or all of them were not included in the Department's investigation of "Cointellpro." I would like both of your Divisions to participate actively in this review and any reopened or new investigation.

Please keep me advised of any allegations or information in the testimony which might provide a basis for reopening or initiating an investigation.
